COVID society Our planet is convalescing from one of the worst pandemics in living memory the whole of 2020 has been
sacrificed to combat the iniquities perpetrated by a sub microscopic conglomeration of proteins and nucleic acids a virus that
has achieved immortality in the annals of history as SARS COVID 19 Deaths from COVID 19 in USA have crossed 405 399 the
number of Americans who died in the Second World War The most important and most far reaching effect has of course been
that of isolation lockdown in colloquial usage That term is now probably the most widely understood English word across the
inhabited world from the poles to the tropics even in non English speaking countries like China and Japan The primary effect
of this lockdown has been on the economy from developed to developing countries there are none that may claim to have
escaped the paralyzing debilitation caused by an instant and total absence of all forms of commerce Long queues in front of
provision stores slow starvation as savings dried up people begging for scraps people dying by the roadside and railway
tracks as they set out to walk the length and breadth of the country en route to their homes from their places of work all
these shocking pictures are now part of our heritage An online society has cropped up as the new normal one sustained by
internet apps tweeter and face book and so on It is needless to say that this digital society is the child of no other than the
Corona virus What is different today is the loss of vision Men have distanced themselves not only from their friends but also
from their productive energy and sustainable creativity **THE Journal** ,1995 **How to get rich in America**
