of industry practice university teaching and professional training experience this book is the essential guide to the subject for tourism hospitality and events students and industry practitioners alike **The Pause** Julian Jason Haladyn,2024-04-15

When COVID 19 spread across the globe people experienced protection measures such as social distancing self isolation and self quarantine as a kind of shutting down or putting on hold of life Many referred to this experience as a pause Calling attention to the long history of grappling with pausing in writing on plagues and pandemics Julian Haladyn explores the pause in its social political and personal manifestations over the extended pandemic The schism between the virus and its prohibitions on human engagement with the world produced a crisis Haladyn argues in which for an extended time it was impossible to imagine a future The Pause is a cultural inquiry into a moment when human life around the globe seemed to halt as well as the social symptoms that defined it The Pause captures the experience of being inside the pandemic even as that experience continues to unfold It regards our current situation not for what it may become in the future but rather as a moment of mass uncertainty and existential hesitation **Cultural (Im)mobilities and the Virocene** Tzanelli,

Rodanthi,2021-11-19 This unique book considers COVID 19 as one pandemic amongst many forming an episodic era of ebbing and flowing crises the Virocene Investigating COVID 19 in the context of the phenomenology of the crisis it offers critical exploration of key theses in the study of mobility and futures travel and citizenship Through thought provoking and insightful analysis Rodanthi Tzanelli suggests that COVID 19 and any highly infectious virus that follows evolves into the new self governing principle of various forms of movement acting as an ontological magnet as mobilities become reshaped by remote technologies the very order of reality changes **Developing Culturally Responsive Curriculum in Higher Education** Rantz, Rick, McNulty, LeeAnne,2025-06-18

In an interconnected world developing culturally responsive curriculum in higher education fosters inclusive learning environments and prepares students to thrive in global contexts Culturally responsive curriculum actively incorporates diverse perspectives histories and context into content pedagogy and assessments By acknowledging and valuing cultural backgrounds educators can promote equity enhance student engagement and challenge systemic biases within academic institutions As higher education evolves integrating culturally responsive practices affects social justice and makes critical steps toward academic excellence and meaningful student success Developing Culturally Responsive Curriculum in Higher Education explores culturally responsive curriculum CRC in higher education It offers a deep analysis of the theoretical foundations practical applications and transformative potential of CRC This book covers topics such as social justice gender and diversity and inclusive education and is a useful resource for educators sociologists academicians researchers and scientists **Digital Nomad Visa Guide 2025** HAZE.
