Ruth Frisz, Joe Bertolino, Ugo Eze, 2012-07-18. Have you ever led a group or taught/facilitated a workshop or taught a class and needed the perfect interactive icebreaker or thought-provoking exercise? This manual provides just that. As facilitators, speakers, and professors, we found we were always looking for interactive exercises that allow students and participants to reflect, think, and learn. As a result, this first collection of exercises from the Queens College Student Personnel Department's Peer and Leadership Program was created. The majority of these exercises have been created by students for students. These activities can be used by many different types of organizations, including but not limited to educational institutions, businesses, non-profit organizations, and religious institutions. The activities lend themselves to adjustments and revisions depending on the goals of the workshop, conference, retreat, or in-service meetings. This manual is designed to offer ideas and suggestions to those who want to provide this kind of opportunity to their employees, students, administrators, management teams, or others. Fun, interactive, and thought-provoking, these exercises are the perfect solution to creating a dynamic learning environment.
