

Due to global issues concerning **COVID-19** (Coronavirus) more and more workplaces are moving towards working remotely. Switching from working in the office to being remote can be a shock to the system for both management and team members, which is why we wanted to share some quick tips to set your team up for success.

01

Encourage team members to work their 8 hours in one chunk, rather than a couple of hours here and there.

02

Ensure there's team overlap by establishing core hours that everyone works, for example 10am-3pm

03

Video call with cameras on where possible, this reduces the risk of isolation/loneliness

04

Encourage non-work related communication to maintain work relationships

05

Establish regular morning catch ups and afternoon sign offs to keep your team engaged

06

Check in that team members are set up to work from home effectively.
