Chris Parry, 2003 This series of fifteen books The Food Service Professional Guide TO Series from the editors of the Food  
Service Professional magazine are the best and most comprehensive books for serious food service operators available today  
These step by step guides on a specific management subject range from finding a great site for your new restaurant to how  
to train your wait staff and literally everything in between They are easy and fast to read easy to understand and will take the  
mystery out of the subject The information is boiled down to the essence They are filled to the brim with up to date and  
pertinent information The books cover all the bases providing clear explanations and helpful specific information All titles in  
the series include the phone numbers and web sites of all companies discussed What you will not find are wordy explanations  
tales of how someone did it better or a scholarly lecture on the theory Every paragraph in each of the books are  
comprehensive well researched engrossing and just plain fun to read yet are packed with interesting ideas You will be using  
your highlighter a lot The best part aside from the content is they are very moderately priced The whole series may also be  
purchased the ISBN number for the series is 0910627266 You are bound to get a great new idea to try on every page if not  
out of every paragraph Do not be put off by the low price these books really do deliver the critical information and eye  
opening ideas you need to succeed without the fluff so commonly found in more expensive books on the subject Highly
