Procurement Reform and Governance in Africa S.N. Nyeck,2016-06-29 This book presents an interdisciplinary exploration of the governance of public procurement reform in Africa Through a bottom up approach to case studies and comparative analyses scholars practitioners and social activists write about the organizational mechanisms and implementation gaps in public procurement governance in light of the general premises of national reform Reforming the ways in which government purchases works goods and services from the private sector is one of the most sweeping policy reform undertaken in Africa in the past decade Despite the transnational scope of policy change very little is known about the mechanisms of public procurement governance at the subnational level The argument in this volume is that policy reforms that mitigate contractual hazards along the three dimensional law politics business matrix are more likely to bring about meaningful institutional transformation and broader social accountability Key to substantive transformation of public procurement is the revitalization and professionalization of the public sector to meet the opportunities and challenges of development by contract **China's Foreign Relations and Security Dimensions** Geeta Kochhar,2018-03-19 China is the

world s second largest economy and a key player in world politics This book looks at China s foreign policy from a macro perspective It analyses China s peripheral and regional policy as well as its relations with other major powers India and Russia It offers insight into the historical security concerns of China and the linkages of internal domestic issues with external diplomacy which reshape its relations with neighbouring countries The volume also examines President Xi Jinping s foreign policy orientations and aspirations for future In face of growing global concern on China s hegemonic ambitions in the region the book gauges the tensions between China and Japan in the South China Sea as well as the apprehensions of several smaller Asian countries that may perceive China s strategic and geo economic advantages and military strength as a threat This book will be useful to scholars and researchers of China studies politics foreign policy international relations military and strategic studies defence and security studies area studies and political studies *Global Justice and International Labour Rights* Yossi Dahan,Hanna Lerner,Faina Milman-Sivan,2016-04-15 Despite the growing global consensus regarding the need to ensure minimal labour standards such as adequate safety and health conditions freedom of

association and the prohibition of child labour millions of workers across the world continue to work in horrific conditions Who should be held responsible both morally and legally for protecting workers rights What moral and legal obligations should individuals and institutions bear towards foreign workers in their countries Is there any democratic way to generate regulate and enforce labour standards in a global labour market This book addresses these questions by taking a fresh look at the normative assumptions underlying existing and proposed international labour regulations By focusing on international labour as a particular sphere of justice it seeks to advance both the contemporary philosophical debate on global justice and the legal scholarship on international labour

Symposium ,2003 **Source Book on Collective Bargaining, Wages, Benefits, and Other Contract Issues** ,2009 [Private Dispute Resolution in International Business: Handbook](#) Klaus Peter Berger,2009 Private Dispute Resolution in International Business consists of two books and an interactive DVD Rom Volume I follows the progress of a dispute between two companies in step by step detail through negotiation mediation and arbitration in turn Volume II provides precise informed solutions to the problems raised in the first volume s case study The DVD Rom contains not only all contracts and other written documentation produced during the dispute including all procedural orders and awards rendered by the arbitral tribunal during the arbitration the text of legal materials such as arbitration laws and rules and international conventions and further learning and teaching aids but also almost 100 videos dramatising the negotiation mediation and arbitration proceedings described in the books conducted by highly experienced practitioners active in the field of international dispute resolution Subtitles in the videos refer the viewer to paragraphs in the books where each relevant legal problem is analysed In addition an internet home page provides regular updates To summarise The Case Study Volume I provides a realistic and highly practical approach to learning and teaching the law and practice of private dispute resolution in international business The Handbook

Volume II provides a comprehensive comparative study of the law of international dispute resolution. The DVD Rom allows for a highly innovative interactive teaching and learning experience and provides a comprehensive collection of arbitration rules and other documentary material. The videos on the DVD Rom clearly manifest the soft skills and advocacy skills required to successfully resolve international business disputes, including the unique opportunity to draw on screen comparisons between the negotiation, mediation and arbitration methods. With its concrete and highly practical approach, this innovative teaching and training tool for international dispute resolution will be of immeasurable value to students and teachers of dispute resolution, corporate counsel, international lawyers and business people. DVD ROM put this in right column. The DVD ROM has a large number of interactive teaching and learning features which you can use simultaneously with the books or separately. The main menu of the DVD contains seven buttons: Parties and Persons, Case Development, Documents and Events, Materials, Videos, Soft Skills and Links. The button Parties and Persons provides an overview of the actors who appear in the video section of the DVD ROM. Under the button Case Development, you will find an animated graphical Case Development which enables you to better understand the sequence of events in the first two Scenarios of the Case Study. This tool should therefore be used simultaneously with the Case Study. Under the button Documents and Events, you will find a chronological list of events for each Scenario together with the relevant documents produced by the xvi Private Dispute Resolution in International Business Handbook, parties during the contract negotiations, the negotiations in the Hague, the mediation fax messages, general contract conditions etc. and the arbitration legal briefs, communications from the DIS Secretariat, orders of the Tribunal awards etc. as pdf files. You should refer to these documents whenever the symbol indicates that the document is reproduced on the DVD.
