When Your Fairy Tale Fails Kristen Michaels, 2021-09-03 Kristen Michaels grew up in an immensely faithful and wholesome family This average girl next door fell in love with her college sweetheart She spent ten years in a marriage that didn't quite add up until she found the missing piece Her husband had a sexual addiction Her marriage forced her to learn more about prostitution than she ever desired In *When Your Fairy Tale Fails* she recounts the brutal trajectory of how she fell for a sex addict and how she conquered the devastation of discovering his secret life In this memoir Michaels describes how the combination of confusion panic and pain disoriented her in a way she had never experienced She laboriously searched for answers seeking to understand what was happening to her and why *When Your Fairy Tale Fails* shares a story about pain betrayal and uncertainty but also about finding peace joy and freedom It is about how God mended all the rips and tears of her heart

Free Us from Bullying Paul T. Coughlin, 2018-08-14 Much of what we believe about bullying isn't true An estimated twenty million oppressed children need our help today A critical mission field awaiting Christians is to combat bullying and proclaim liberty to wounded children To counter bullying we must first understand some common misconceptions It is not necessarily true that bullies have low self esteem and come from abusive homes It is not true that kids who aren't bullied are indifferent to those who are Bullying is not a school problem and teachers are not the frontline defense Children who are bullied do not become stronger adults Bullies cannot be stopped merely with more compassion and understanding In fact bullying stems from the same roots as racism sexual harassment and even genocide and it requires people to combat it in similar ways that they combat other forms of oppression and injustice We often think of combating injustice overseas but we can combat a very real and dangerous injustice in our own neighborhoods After more than a decade of working with tens of thousands of students teachers parents and pastors Coughlin knows that bullying represents the worst in human nature but combating it promotes the best Kindness and awareness two buzzwords in today's anti bullying movement will not end bullying on their own They must be activated by courage transforming bystanders into righteous loving protectors of targets When we join this mission of love and justice we will become peacemakers who are blessed and called children of God Matt 5:9
