spiritual awakening in the West and a spiritual renaissance in his native land of India More than half a century ago in a hilltop ashram in Los Angeles California an American disciple sat at the feet of his Master faithfully recording his words as his teacher had asked him to do Paramhansa Yogananda knew this disciple would carry his message to people everywhere Kriyananda was often present when Yogananda spoke privately with other close disciples when he received visitors and answered their questions when he was dictating and discussing his important writings Yogananda put Kriyananda in charge of the other monks and gave him advice for their spiritual development In all these situations Kriyananda recorded the words and guidance of Yogananda preserving for the ages wisdom that would otherwise have been lost and giving us an intimate glimpse of life with Yogananda never before shared by any other student These Conversations include not only Yogananda s words as he first spoke them but also the added insight of an intimate disciple who has spent more than 50 years reflecting on and practicing the teachings of Yogananda Through these conversations Yogananda comes alive Time and space dissolve We sit at the feet of the Master listen to his words receive his wisdom delight in his humor and are transformed by his love
