The Wisest Owl Anupam Gupta, 2022-07-25 India is witnessing a major change in the way we look at money. This large population is breaking away from its parents in almost every way, including financially. But the new generation of Indians entering the workforce demand more knowledge on their investments. They constantly grapple with complicated questions surrounding money: What do they do with their money? How do they plan for their future? Most of the time they get bad advice. Mutual funds have not really delivered meaningful returns; stock selection is extremely complicated and sophisticated investments like PMSs, AIFs etc. are only for the wealthy. This book tries to help these young investors by offering them a framework they can use to create wealth in the long run. Using the wisdom and experience of India's top personal finance professionals, the book answers critical questions such as: Should I rent a house or buy a house? Passive investing versus active investing? Stocks versus mutual funds? Debt funds or FDs? And finally, crypto or no crypto.
