Bandido The Life And Times Of Tiburcio Vasquez:

Bandido John Boessenecker, 2011-12-03 Tiburcio Vasquez is next to Joaquin Murrieta America's most infamous Hispanic bandit. After he was hanged as a murderer in 1875 the Chicago Tribune called him the most noted desperado of modern times. Yet questions about him still linger. Why did he become a bandido? Why did so many Hispanics protect him and his band? Was he a common thief and heartless killer who got what he deserved or was he a Mexican American Robin Hood who suffered at the hands of a racist government? In this engrossing biography John Boessenecker provides definitive answers. *Bandido* pulls back the curtain on a life story shrouded in myth, a myth created by Vasquez himself and abetted by writers who saw a tale ripe for embellishment. Boessenecker traces his subject's life from his childhood in the seaside adobe village of Monterey to his years as a young outlaw engaged in horse rustling and robbery. Two terms in San Quentin failed to tame Vasquez and he instigated four bloody prison breaks that left twenty convicts dead. After his final release from prison he led bandit raids throughout Central and Southern California. His dalliances with women were legion and the last one led to his capture in the Hollywood Hills and his death on the gallows at the age of thirty-nine. From dusty court records, forgotten memoirs and moldering newspaper archives Boessenecker draws a story of violence, banditry and retribution on the early California frontier that is as accurate as it is colorful. Enhanced by numerous photographs, many published here for the first time, *Bandido* also addresses important issues of racism and social justice that remain relevant to this day. *A Splendid Savage* Steve Kemper, 2016-01-21 Rich, detailed and pitch perfect with the witty and wonderful skipping off every page. Maxwell Carter Wall Street Journal. Frederick Russell Burnham's 1861-1947 amazing story resembles a newsreel fused with a Saturday matinee thriller. One of the few people who could turn his garrulous friend Theodore Roosevelt into a listener. Burnham was once world famous as the American scout. His expertise in woodcraft learned from frontiersmen and Indians helped inspire another friend, Robert Baden Powell, to found the Boy Scouts. His adventures encompassed Apache wars and range feuds, booms and busts in mining camps around the globe, explorations in remote regions of Africa and death-defying military feats that brought him renown and high honors. His skills led to his unusual appointment as an American to be Chief of Scouts for the British during the Boer War, where his daring exploits earned him the Distinguished Service Order from King Edward VII. After a lifetime pursuing golden prospects from the deserts of Mexico and Africa to the tundra of the Klondike, Burnham found wealth in his sixties near his childhood home in southern California. Other men of his era had a few such adventures, but Burnham had them all. His friend H. Rider Haggard, author of many best-selling exotic tales, remarked, "In real life he is more interesting than any of my heroes of romance." Among other well-known individuals who figure in Burnham's story are Cecil Rhodes and William Howard Taft, as well as some of the wealthiest men of the day, including John D. Rockefeller, J. P. Morgan, E. H. Harriman, Henry Payne Whitney and the Guggenheim brothers. Failure and tragedy streaked his life as well, but he was endlessly willing to set off into the unknown where the future felt up for grabs and values worth dying for were at
