Short Reference Grammar of Slovene Marc L. Greenberg, 2008 *How to Do Things with Tense and Aspect* Matejka Grgic, Igor Z. Žagar, 2020-05-15 Almost all verbs in Slovene one of the least researched Slavic languages have two aspectually different forms the perfective PF and the imperfective IF But in institutional settings or settings strongly marked with social hierarchy only the second the imperfective form is used by Slovene speakers in a performative sense Why is that And what in fact has a Slovene speaker said if s he has used the imperfective verb in performative circumstances No doubt that s he may be in the process of accomplishing such an act But at the same time having the possibility of choosing between the PF and the IF form s he may have also indicated that this act hasn t been accomplished yet as long as we are only promising IF we have not really promised anything yet and if we are only promising IF we cannot take anything as having been really promised That was how Stanislav Krabec the 19th century Slovene linguist and the central figure of this book saw the role of verbal aspect within language use Being caught in such a dilemma a question inevitably arises how do we accomplish an act of promise or any other performative act in Slovene That dilemma whether to use the perfective or imperfective aspect when accomplishing performative acts may seem more than artificial at first but it was very much alive among Slovene linguists at the end of the 19th century And it was that very dilemma that quite unexpectedly gave rise to the foundations of performativity in Slovene half a century before Austin In the present book the authors try to shed light on this controversy that involved different Slovene scholars for about thirty years and propose a de locution hypothesis as a solution for the performative dilemma this controversy unveiled [The A to Z of Slovenia](#) Leopoldina Plut-Pregelj, Carole Rogel, 2010-05-20 For more than 1 300 years Slovenes had lived in Eastern Europe without having a separate Slovene state but in December of 1990 they voted for independence or put more appropriately for disassociation from Yugoslavia Unfortunately Slovenia had to fight for its independence which it did not fully achieve until 1995 after its bloody disintegration with Yugoslavia was over Since independence however Slovenia has prospered its economy is far ahead of other former communist states and in 2004 Slovenia acceded to both NATO and the European Union the only republic of former Yugoslavia to do so The A to Z of Slovenia covers the history of Slovenia and its struggle to gain independence from communism This is done through a
