Be My Downfall Whitman University 3 Lyla Payne:

Be My Downfall Lyla Payne, 2013-09-19 Toby Wright has always prided himself on being one of the most normal guys at Whitman University. He loves his parents, has a great job lined up after graduation, and with the exception of attempting to cross the unbalanced Sebastian Blair, sophomore year has kept his nose pretty clean. But the rich never have empty closets and memories long stashed away come spilling free when notorious party girl Kennedy Gilbert almost dies in his dorm room. Nobody really knows how Kennedy manages to stay in good standing at Whitman; she never goes to class, doesn't pretend to care about her future, and as far as people can tell is never sober. This isn't her first meeting with a stomach pump, but it is the first time she's woken up to Toby's concerned brown eyes. Despite the fact that she prefers life without friends, he gets under her skin with his insistence on playing her guardian angel. No one knows better than Toby that people can only be saved if they want to be, but the realization that she has no one else draws him back into the shadows of Kennedy's life and eventually into her bed. But she long ago came to terms with a truth that Toby refuses to accept: she doesn't want to be rescued; she only wants to forget. Unwilling to give up on her, Toby's dragged under by this broken girl and her dark twisted Whitman University, he never guessed existed. If he struggles to the surface, he'll abandon someone he loves for the second time in his life. If he doesn't, it won't be long until they both drown.

Betrayals in Spring Trisha Leigh, 2012-12-11 Althea assumes now that she, Pax, and Lucas are reunited in spring that the next steps are obvious: locate Deshi and prepare to take down the Others once and for all. But she doesn't expect the subtle changes in Lucas. After being left alone last season with only his Element father for company, Lucas has started to question whether their rightful place isn't with the strange alien race as opposed to humanity. When an emergency forces Lucas to aid the Others so they can remain on Earth, Althea worries that she's lost him once and for all. The one thing she knows is that Deshi's the key to any hope of reclaiming the planet. So as the Others gut their already wobbly support system, Althea and Pax gather together the beginnings of a plan and maybe an army. Even if she can convince Lucas their side is the right one, the Prime Other holds Deshi captive and shrouds any knowledge about their fourth in clouds of secrecy. What they discover deep underground is a roadblock they didn't expect and one that could steal their last hope of saving humanity.

Buried Trisha Leigh, 2016-01-09 Gypsy and her friends may still be reeling from the information overload after learning more about who they are, not to mention the losses they sustained, but between the government, the Olders, and the Siphons, they have little time to rest. After the Siphons force Pollyanna to commit a horrific crime on live television, the Cavies know they have to focus on not only getting her back but by bringing the group of rogues to justice once and for all. The deeper they get into the world of experiments and government conspiracies, the clearer it is that there's no one to trust but themselves; any maybe they can't even trust that anymore. With their talents, developing their relationships, changing and millions of lives hanging in the balance, can the Cavies find a way to convince the world that they're more than what's been done to them? If they can't, they'll be the ones who will spend their lives locked in

padded cells and the truth will be buried with them
