Begone Godmen:

Begone Godmen! Abraham T. Kovoov, 1976 On spiritual leaders in India a rationalist's views R.K. Narayan and His Social Perspective S. R. Ramteke, 1998 R K Narayan And His Social Perspective Deals With The Caste Ridden Hindu Society Which Narayan Presents In His Novels His Characters Are Fatalists With Explicit Faith In The Invisible The Book Presents Their Half Hearted Attempts At Self Assertion However Their So Called Sentimentalism Does Not Bear Fruit And They Fall Back To Their Former Position Accepting Defeat In Life The Book Brings Out Vividly Narayan's Attitude To Life His Firm Grip Of Hindu Ethos Of Which He Is The Product And His Failure To Come Out Of It Though The West Wind Has Blown Much Of Its Dust However Detached He Sounds Himself To The Readers His True Spirit Finds Vivid Expression In The Book At Any Rate R K Narayan Is A Thoroughly Indian Novelist Par Excellence And The Aspect Is Hardly To Be Overlooked Gods, Demons & Spirits Dr. Abraham Kovoov, 2000-03-01 Gods Demons and Spirits is a worthy successor to the bestseller BEGONE GODMEN In it Dr Abraham Kovoov the famed rationalist continues his relentless crusade against charlatans and miracle men with greater vigour It is a scathing exposure of the conning methods employed by pseudo gods bogus gurus and assorted fakes to entrap their gullible victims **Enlightenment East and West** Leonard Angel, 1994-08-04 This book shows that mysticism is incomplete without scientific rationalism and that our current social and political projects cannot be completed without assimilating the values and practices of mysticism It discusses cross cultural ethics mysticism and value theory mysticism and metaphysics mysticism and the theory of knowledge ethics and religion parapsychology patriarchy and social and political history **The Atheist**, 1998 **In Search of Sai Divine** Satya Pal Ruhela, 1996 This book is a comprehensive and upto date research review of all the significant writings and research contributions of Sai Devotee writers and scholars of Religion philosophers sociologists psychologists and psychiatrists educationists management scientists physical scientists and medical scientists who have come closer to Baba and studied his unique divine personality as Avatar his teachings his miracles his charisma his global activities and his enchanting and soothing utopia for the distressed mankind **Feng Shui: Teaching About Science and Pseudoscience** Michael R. Matthews, 2019-07-18 This book provides a richly documented account of the historical cultural philosophical and practical dimensions of feng shui It argues that where feng shui is entrenched educational systems have a responsibility to examine its claims and that this examination provides opportunities for students to better learn about the key features of the nature of science the demarcation of science and non science the characteristics of pseudoscience and the engagement of science with culture and worldviews The arguments presented for feng shui being a pseudoscience can be marshalled when considering a whole range of comparable beliefs and the educational benefit of their appraisal Feng shui is a deeply entrenched three millennia old system of Asian beliefs and practices about nature architecture health and divination that has garnered a growing presence outside of Asia It is part of a comprehensive and ancient worldview built around belief in chi qi the putative universal energy or life force that

animates all existence the cosmos the solar system the earth and human bodies Harmonious living requires building in accord with local chi streams good health requires replenishment and manipulation of internal chi flow and a beneficent afterlife is enhanced when buried in conformity with chi directions Traditional Chinese Medicine is based on the proper manipulation of internal chi by acupuncture tai chi and qigong exercise and herbal dietary supplements Matthews has produced another tour de force that will repay close study by students scientists and all those concerned to understand science culture and the science culture nexus Harvey Siegel Philosophy University of Miami USA With great erudition and even greater fluidity of style Matthews introduces us to this now world wide belief system Michael Ruse Philosophy Florida State University USA The book is one of the best research works published on Feng Shui Wang Youjun Philosophy Shanghai Normal University China The history is fascinating The analysis makes an important contribution to science literature James Alcock Psychology York University Canada This book provides an in depth study of Feng Shui in different periods considering its philosophical historical and educational dimensions especially from a perspective of the demarcation problem between science and pseudoscience Yao Dazhi Chinese Academy of Sciences China

Divine Enterprise Lise McKean, 1996-05-15 Through shrewd marketing and publicity Hindu spiritual leaders can play powerful roles in contemporary India as businessmen and government officials Focusing on the organizations and activities of Hindu ascetics and gurus Lise McKean explores the complex interrelations among religion the political economy of India and global capitalism In this close look at the business of religion McKean traces the ideological and organizational antecedents to the Hindu nationalist movement The Indian state's increasing patronage of Hindu institutions makes competition for its support greater than ever Using materials from guru's publications the press and extensive field research McKean examines how participation by upper caste ruling class groups in the Divine Life Society and other Hindu organizations further legitimates their own authority With a remarkable selection of photographs and advertisements showing icons of spirituality used to sell commodities from textiles to cement to comic books McKean illustrates the pervasive presence of Hindu imagery in India's burgeoning market economy She shows how gurus popularize Hindu nationalism through imagery such as the goddess Mother India and her martyred sons and daughters

Dictionary Of Atheism Skepticism & Humanism Bill Cooke, 2009-12-30 In the tradition of Voltaire's Philosophical Dictionary Ambrose Bierce's Devil's Dictionary and Joseph McCabe's Rationalist Encyclopedia this accessible dictionary addresses the contemporary need for a reference book that succinctly summarizes the key concepts current terminology and major contributions of influential thinkers broadly associated with atheism skepticism and humanism In the preface author Bill Cooke notes that his work is intended for freethinkers in the broadest sense of the word people who like to think for themselves and not according to the preplanned routes set by others This dictionary will serve as a guide for all those people striving to lead fulfilling morally responsible lives without religious belief Readers are offered a wide range of concepts from ancient well known notions such as God free will and evil to new concepts such as eupraxsophy Also included

are current buzzwords that have some bearing on the freethought worldview such as metrosexual The names of many people whose lives or work reflect freethought principles form a major portion of the entries Finally a humanist calendar is included on which events of interest to freethinkers are noted This unique accessible and highly informative work will be a welcome addition to the libraries of open minded people of all philosophic persuasions Secularity and Non-Religion Elisabeth Arweck, Stephen Bullivant, Lois Lee, 2016-03-16 The present collection brings together a set of essays which shed light on recent research into non religion secularity and atheism topics which have been emerging as important areas of current research in a number of different disciplines The essays cover a wide span in terms of the various stances they discuss secular atheist non religious the settings in which these topics are relevant families wider society politics demography and the different perspectives which relate to socialisation and social relations belief acquisition discrimination Written by authors from a variety of national settings and academic disciplines the collection presents a range of methodologies combining theoretical approaches with quantitative and qualitative research findings The authors address issues related to an important academic field which had been neglected for some time but which has been made relevant by the increasing percentage of people professing a non religious stance This collection represents a major contribution to this area of academic research not only because it puts the themes of non religion and secularity firmly on the academic map but also because it offers a variety of different viewpoints and aims to bring clarity into the use of concepts and terminology The authors make important contributions to the emerging body of research in this area and point out areas where further research is needed The first essay provides a thorough introduction to this field taking stock of the work done so far highlighting the overarching issues and embedding the essays in the wider context of existing literature This book was originally published as a special issue of the Journal of Contemporary Religion **Tantrism** Benjamin Walker, 1982 *Indian National Bibliography* Bellary Shamanna Kesavan, 1978 Dictionary of World Mysticism Madan Gopal Gupta, 2002 This Dictionary Is About Terms Used In Literature Of Mysticism In All Parts Of The World It Seeks To Show That Mysticism Is Acceptance Of The Supernatural Essence Of The Phenomena Of Nature And Society The Explanation Of Various Events And Occurrences In People S Lives With Reference To Predestination Or Fate **Accessions List, India** Library of Congress.
