BENJAMIN BRITTEN

BOOSEY & HAWKES

Benjamin Britten Boosey Hawkes

Eric Walter White, Benjamin Britten

Benjamin Britten Boosey Hawkes:

Benjamin Britten Boosey and Hawkes Limited, 1973
Works Boosey & Hawkes, Ltd., Londres, Angleterre, 1973
Britten, 2011-07-07 The third volume of the annotated selected letters of composer Benjamin Britten covers the years 1946-51 during which he wrote many of his best known works founded and developed the English Opera Group and the Aldeburgh Festival and toured widely in Europe and the United States as a pianist and conductor Correspondents include librettists Ronald Duncan The Rape of Lucretia Eric Crozier Albert Herring Saint Nicolas The Little Sweep and E M Forster Billy Budd conductor Ernest Ansermet and composer Lennox Berkeley publishers Ralph Hawkes and Erwin Stein of Boosey and the celebrated tenor Peter Pears Britten's partner Among friends in the United States are Christopher Isherwood Elizabeth Mayer and Aaron Copland and there is a significant meeting with Igor Stravinsky This often startling and innovative period is vividly evoked by the comprehensive and scholarly annotations which offer a wide range of detailed information fascinating for both the Britten specialist and the general reader Donald Mitchell contributes a challenging introduction exploring the interaction of life and work in Britten's creativity and an essay examining for the first time through their correspondence the complex relationship between the composer and the writer Edward Sackville West
Benjamin Britten Benjamin Britten, 1963
Benjamin Britten, 1950 Journeying Boy Benjamin Britten, 2009 Best remembered for his operas and his War Requiem Benjamin Britten's radical politics and his sexuality have also ensured that he remains a controversial public figure Journeying Boy is a selection of his diaries that offer the reader an unseen insight into this complex man Encompassing the years 1928-1938 they explore some key periods of Britten's life his early compositions his education first under composer Frank Bridge and then at the Royal College of Music an unhappy but productive period studying under John Ireland and Ralph Vaughan Williams and his reluctant and often painful process of parting from the warm safe environment of his family home and his beloved mother The diaries cast light on an often misrepresented musician whose technique originality and musical prowess have entranced audiences for generations and who continues to inspire composers and musicians around the world Publisher's description
Britten's Gloriana Paul Banks, 1993 This volume is based on a selection of papers presented during a study course devoted to Gloriana held at the Britten Pears School for Advanced Musical Studies in 1991 Gloriana has been a source of controversy since its premiere as part of the Coronation celebrations in 1953 It was planned as a national opera of broad appeal by its authors Benjamin Britten and William Plomer but despite wide coverage in the media the opera failed to establish itself in the repertoire until a new production in 1966 revealed it to be a powerful and stageworthy work In recent years it has attracted an increasing amount of scholarly attention This volume offers essays by ROBERT HEWISON PHILIP REED ANTONIA MALLOY DONALD MITCHELL and PETER EVANS which explore the opera's cultural background the early stages of its creative evolution the first critical responses and various

aspects of the work itself these are supplemented by a list of source materials for the opera and the works derived from it and an extensive bibliography **Friday Afternoons Op.7** Benjamin Britten, *Benjamin Britten* Boosey & Hawkes, Ltd., London,1973 Benjamin Britten ... New Edition, Revised and Enlarged Eric Walter White,Benjamin Britten,1954

Boosey & Hawkes, the Publishing Story Helen Wallace,2007 Boosey Hawkes Scores Books A rare inside look at the evolution of the world s leading classical publisher and how it works with composers to shape music history Rather than wage a price war Leslie Boosey and Ralph Hawkes decided to merge their rival businesses in 1930 Signing Bartok and Strauss and investing in talented young composers like Britten and Copland the company fully came of age with the acquisition of masterpieces by Stravinsky Rachmaninoff and Prokofiev The 1980s saw a new flowering with impressive signings in America and Europe but not without internal struggles Distinguished journalist and broadcaster Helen Wallace vividly charts the company s progress through boom years and unexpected financial threats and reveals how artistic foresight has been balanced with commercial reality A surprisingly gripping narrative For those who wonder what really goes on in music publishing it offers a fascinating read BBC Music Magazine **Catalog of Copyright Entries** Library of Congress. Copyright Office,1950 Sound Advice Jean Ashworth Bartle,2003-03-06 Sound Advice is a valuable resource for college students beginning teachers and experienced conductors of children s choirs It covers the vast array of skills needed by today s conductor and will benefit all choir directors who want their choirs to reach a higher level of artistry This book will be useful on many levels for the college student studying the child voice and elementary teaching methods for the teacher beginning to direct choirs in schools synagogues churches and communities for experienced children s choir directors who wish to know more about orchestral repertoire for treble voices conducting an orchestra and preparing a children s choir to sing a major work with a professional orchestra The underlying educational philosophy is sound the author sees development of musicianship through singing as the primary goal of a children s choir program This philosophy differs dramatically from the traditional concept of the conductor as all knowing and the singers as receptacles An outstanding aspect of the book is how the author leads the reader to an understanding of how to teach musicianship Developing literacy in the choral setting is a mysterious amorphous process to many conductors but the author clearly outlines this important process with practical suggestions well documented examples and a clear reading style which will reach readers on many levels The comprehensive repertoire skill building sheets and programs for all types of children s choirs will provide teachers with immediate and highly valuable resources **Benjamin Britten** Stewart R. Craggs,2001-11-30 Benjamin Britten was arguably the greatest English composer of his time His music crossed boundaries of genre and form to include opera ballet orchestral and chamber music and film and incidental music The result of twenty years of research IBenjamin Britten R provides up to date and comprehensive details about Britten s life and music including works performances and recordings an effort never before undertaken Certain to be of use to any scholar of British music or 20th century composition this reference work is an

invaluable addition to the literature on this important artist Following a brief biography of the subject author Stewart Craggs provides a complete list of works and performances arranged by genre a discography and an annotated bibliography Rounding out the volume are two lists of compositions one arranged alphabetically and the other chronologically and a general index

Letters from a Life Vol 1: 1923-39 Benjamin Britten, 2011-07-07 Volume One of these remarkable letters and diaries opens with a letter from Britten aged nine to his formidable mother Edith Music is already at the centre of his life and it accompanies him through prep and public school and then to London to the Royal College of Music where the phenomenally gifted but inexperienced young composer is plunged into metropolitan life and makes influential new friends among them W H Auden and Christopher Isherwood This was a time of prodigious musical creativity a growing awareness of his sexuality and the dawning of his political convictions Most importantly during this period Britten met Peter Pears and established the musical and personal relationship that was to last a lifetime Volume One comes to a close in May 1939 when Britten accompanied by Pears departs for North America The letters and diaries in this illuminating first volume and its successor are supplemented by the editors detailed commentary and by exhaustive contemporary documentation Together they constitute a comprehensive portrait not only of the composer but of an age
