*Parameters of Power* Keith Archer, 2002 Streamlined and rewritten to meet the needs of the market *Parameters of Power* now fits the one term Canadian Politics course much better and is more balanced than ever before The defining questions of modern Canadian politics are about institutions and the ways in which they shape our political life Capturing the underlying logic of federalism the Charter of Rights electoral systems and many other areas *Parameters of Power* tries to make sense of issues as they move dynamically from one institutional arena to the next By giving social and cultural factors greater prominence the third edition recognizes Canada's social diversity and inequalities much more so than any competing text

*Proceedings of the Nova Scotian Institute of Science* Nova Scotian Institute of Science, 2012 *Contested Federalism* Herman Bakvis, Douglas Mitchell Brown, Gerald Baier, 2009 Federalism particularly in Canada involves an ongoing contestation of interests ideas and identities It is a contestation that sometimes clarifies but often obscures the nature of

conflicts and the manner in which they are resolved Recognizing the great degree of ambivalence associated with federalism the authors provide students with the conceptual tools and basic knowledge of various governmental processes that will allow them to analyze and if necessary critique intergovernmental relations Focusing on three areas basic federal and intergovernmental structure the constitutional and institutional framework of the federation and federal governance Contested Federalism is an engaging and balanced treatment of federalism in Canada *Optimum* ,1999 An Introduction to Government and Politics M. O.
