the emphasis on the power of storytelling and the transformation of words and notes into meaningful knowledge. At the end, people have said to go elsewhere to meet with others and a mobile app designed for creating, organizing, producing, editing, and reviewing is something that would have undoubtedly captured value from their transcripts as they can focus on creating. The editor allows users to easily access, edit, highlight, adjust speaker labels, add notes, and collaborate with others. Now a mobile app makes individuals in groups to take their work on the go. It goes a little deeper, therefore, can record, produce, edit, and make their transcripts and quickly order it as professional transcripts.
