## **Creating Characters With Personality:**

**Creating Characters with Personality** Tom Bancroft, 2006-02 Animation veteran Tom Bancroft worked at Walt Disney Feature Animation Florida for 12 years animating such films as *Rescuers Down Under*, *Beauty and the Beast*, *The Lion King*, *Aladdin*, *Pocahontas*, *Mulan*, *Tarzan*, *Atlantis* and *Brother Bear*. With artistic partner Rob Corley he founded Funnypages Productions specializing in children's books, character designs, animation, video game development and comic books for Disney, Fisher Price, Big Idea Productions, EMI CMG Records, DC Comics, Hasbro, Tommy Nelson, Scholastic and other clients. Tom also publishes his creator owned comic *Opposite Forces* along with comics by other talented creators. *Opposite Forces* was nominated for a Rueben category award in 2005. *Creating Characters* Howard Lauther, 2011-01-14 A frequent problem area for fiction writers is characterization. If writers jump headlong into a story with only a fuzzy notion about the people who are in it, the result is a collection of characters who are clichéd, stereotypical and not very interesting. *Creating Characters* is an easy to use reference work that looks at character development from many different angles. The book does not tell writers how to write. Instead it generates a thought process by asking crucial questions about characters' internal and external traits: wants, needs, likes, dislikes, fears, beliefs, strengths, weaknesses, habits and backgrounds. Following these questions, the writer will find an ever deeper and wider array of options. Thus *Creating Characters* helps writers delve as deeply into a character's psychology as they want. All characters and the stories they people can be made richer and more compelling. *Character Mentor* Tom Bancroft, 2012-11-12 You've researched your character extensively, tailored her to your audience, sketched hundreds of versions and now you lean back content as you gaze at your final character model sheet. But now what? Whether you want to use her in an animated film, television show, video game, web comic or children's book, you're going to have to make her perform. How a character looks and is costumed starts to tell her story, but her body language reveals even more. *Character Mentor* shows you how to pose your character, create emotion through facial expressions and stage your character to create drama. Author Tom Bancroft addresses each topic with clear, concise prose and then shows you what he really means through commenting on and redrawing artwork from a variety of student apprentices. His assignments allow you to join in and bring your drawing to the next level with concrete techniques as well as more theoretical analysis. *Character Mentor* is an apprenticeship in a book. Professional artists from a variety of media offer their experience through additional commentary. These include Marcus Hamilton, Dennis the Menace, Terry Dodson, X-Men, Bobby Rubio, Pixar, Sean Cheeks Galloway, Spider-Man, animated and more. With a foreword by comicbook artist Adam Hughes who has produced work for DC, Marvel Comics, Lucasfilm, Warner Bros. Pictures and other companies. **Character Mentor Studio, Workbook 1-Shape Inspiration** Tom Bancroft, 2012-03-19 The *Character Mentor Studio Workbook* series is a fun educational tool for any artist that enjoys creating characters. *Workbook 1 Shape Inspiration* is 50 pages of regular and odd shapes, 4 or 5 per page for you to make into crazy, serious or inventive characters. Explore all the nooks and crannies and see what kind of character

### **Creating Characters With Personality Introduction**

In today's digital age, the availability of Creating Characters With Personality books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Creating Characters With Personality books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Creating Characters With Personality books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Creating Characters With Personality versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Creating Characters With Personality books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Creating Characters With Personality books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for

literature enthusiasts. Another popular platform for Creating Characters With Personality books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Creating Characters With Personality books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Creating Characters With Personality books and manuals for download and embark on your journey of knowledge?
