Beverly Sauer RS *A Glossary of Literary and Cultural Theory* Peter Brooker, 2016-12-08 The Glossary of Literary and Cultural Theory provides researchers and students with an up to date guide through the vibrant and changing debates in Literary and Cultural Studies In a field where meanings are frequently complex and ambiguous this text is remarkable for its clarity and usefulness This third edition includes 17 entirely new entries and updates to more than a dozen others which address key concepts and contemporary positions in both literary and cultural theory New entries include Actor Network Theory Anthropocene Ecocriticism Digital Humanities Postcapitalism World Literature The New Social Theory Reader Steven Seidman, Jeffrey C. Alexander, 2001 This comprehensive reader will give undergraduate students a structured introduction to the writers and works which have shaped the exciting and yet daunting field of social theory Throughout the text key figures are placed in debate with each other and the editorial introductions give an orienting overview of the main points at stake and the areas of agreement and disagreement between the protagonists The first section sets out some of the main schools of thought including Habermas and Honneth on New Critical Theory Bourdieu and Luhmann on Institutional Structuralism and Jameson and Hall on Cultural Studies Thereafter the reader becomes issues based looking at Justice and Truth Nationalism Multiculturalism Globalisation gender sexuality race post coloniality The New Social Theory Reader is an essential companion for students who will not just use it on their theory course but return to it again and again for

theoretical foundations for substantive subjects and issues **A Reader's Guide to Contemporary Literary Theory** Raman Selden, Peter Widdowson, Peter Brooker, 1997 The fourth edition of this reader's guide remains true to the ideals of previous editions providing a concise guide to contemporary literary theories The book covers a vast range of differing forms of English literature English Studies Bruce McComiskey, 2006 Well known scholars in the field explore the important qualities and functions of English studies constituent disciplines Ellen Barton on linguistics and discourse analysis Janice Lauer on rhetoric and composition Katharine Haake on creative writing Richard Taylor on literature and literary criticism Amy Elias on critical theory and cultural studies and Robert Yagelski on English education and the productive differences and similarities among them that define English studies continuing importance Faculty and students in both undergraduate and graduate courses will find the volume an invaluable overview of an increasingly fragmented field as will department administrators who are responsible for evaluating the contributions of diverse faculty members but whose academic training may be specific to one discipline Each chapter of English Studies is an argument for the value the right to equal status of each individual discipline among all English studies disciplines yet the book is also an argument for disciplinary integration

Beginning Theory Peter Barry, 2002-09-07 In this second edition of Beginning Theory the variety of approaches theorists and technical language is lucidly and expertly unraveled and explained and allows readers to develop their own ideas once first principles have been grasped Expanded and updated from the original edition first published in 1995 Peter Barry has incorporated all of the recent developments in literary theory adding two new chapters covering the emergent Eco

criticism and the re emerging Narratology □□□□,2005 *Literary Theory: A Very Short Introduction* Jonathan Culler,2011-07-28 What is literary theory Is there a relationship between literature and culture In fact what is literature and does it matter These are some of questions addressed by Jonathan Culler in this Very Short Introduction to literary theory Often a controversial subject said to have transformed the study of culture and society in the past two decades literary theory is accused of undermining respect for tradition and truth and encouraging suspicion about the political and psychological implications of cultural projects rather than admiration for great literature Here Jonathan Culler explains theory not by describing warring schools but by sketching key moves theory has encouraged and speaking directly about the implications of theory for thinking about literature human identity and the power of language In this new edition Culler takes a look at new material including the death of theory the links between the theory of narrative and cognitive science trauma theory ecocriticism and includes a new chapter on Ethics and aesthetics This lucid introduction is useful for anyone who has wondered what all the fuss is about or who wants to think about literature today ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable
