Crossing Over John Edward:

Crossing Over John Edward, 2010-09-07 John Edward takes his fans with him on the extraordinary journey that has been his life. In the style of his TV show and personal appearances poignant, funny, and remarkably candid, John Edward deals head-on with the controversial issues he has confronted on his voyage as a psychic medium. On his way to success and fame, John had to learn his own lessons about the meaning of his work, the motivations of some of the people he encountered, and the spirits who accompanied them. Through his very personal stories, John has brought peace and insight to those grieving for their loved ones, but what makes Edward's memoir unique is how readily he exposes his own vanities and ego bruising. In addition, he provides a behind-the-scenes look at being a television medium, offering an amusing and at times disturbing look at how the ethereal world clashes with the celebrity world. John Edward's wit, warmth, and passion will captivate readers just as it has riveted the millions who view his landmark program.

Crossing Over John Edward, 2001-01-01 In this fascinating book, the incomparable John Edward tells you how to communicate with those on the Other Side, what to expect when you cross over, and how to vanquish any fears you may have. Crossing over is a natural, peaceful, and loving experience, he tells us, that will serve as a wondrous reunion with your loved ones from this life and other lives. John also shows you how to use tools such as meditation and visualization to contact your angels and guides. The difference between angels and guides, he says, is that an angel is an energy that has never had a physical incarnation but who can assist, protect, nurture, and inspire the human condition. A guide may have a physical body at one time and works with you when you choose to incarnate into the physical. This energy stays with you throughout your life to help you in every way. John also goes on to discuss how to understand the power of your own psychic abilities. He insists that everyone has psychic gifts, but most of the time they have been locked away in the recesses of the mind and need to be developed and recognized. You must give yourself permission to perceive and receive energy and then use spiritual tools to enable you to unleash your potential as you embark on your psychic and spiritual journey.

After Life John Edward, 2004-10 Internationally acclaimed psychic medium John Edward takes his talents to new levels and new countries in his fourth book, *AFTER LIFE: Answers from the Other Side*. Join John and a documentary crew down under in Australia and across the United States where he demonstrates once again that grief, healing, and hope are eternally intertwined and universal. John answers your most often asked questions about how the mediumship process works on the other side while taking you on the inside of his own personal life as a husband and new father. He shares what he's learned through his own recent personal losses and demonstrates that you're never too late to forgive and never too far away to love. In *After Life*, as he does on his highly rated hit show *Crossing Over* with John Edward, John will also connect you with celebrities both here and on the other side, because as John happily notes, there are no red velvet ropes or VIP sections over there. Plus, as a special bonus, we have included two sample chapters of John Edward's novel *Final Beginnings*.
