McAllister,2009 Commercial breaks radio spots product placements billboards pop up ads we sometimes take for granted how much advertising surrounds us in our daily lives We may find ads funny odd or even disturbing but we rarely stop to consider their deeper meaning or function within society What exactly does advertising do How and why do ads influence us How does the advertising industry influence our media These are just a few of the many important questions addressed in *The Advertising and Consumer Culture Reader* an incisive provocative collection that

Censoring Culture Robert Atkins, Svetlana Mintcheva, 2006 If your idea of censorship is an anonymous bureaucrat in a government office exercising prudish control over offensive art and speech wake up and smell the conglomeration Censorship today is just as likely to be the result of a market force or a bandwidth monopoly as a line edit or the covering of a nude sculpture and the current system of new technologies and economic arrangements has subtle built in mechanisms for suppressing free expression as powerful as any known in other centuries In Censoring Culture the nationally known author of the ArtSpeak books and the head of the National Coalition Against Censorship s Arts Program bring together the latest thinking from art historians cultural theorists legal scholars and psychoanalysts as well as first person accounts by artists and advocates to give us a comprehensive understanding of censorship in a new century
