Harrington has helped thousands escape the traditional job trap, and this book shows you how. Inside, you'll learn how to identify your digital skillset even if you think you're not techy. Choose the best remote work path for your personality and strengths. Launch in 30 days or less with freelance contracts or side hustle income. Land real gigs on trusted platforms without getting scammed. Build sustainable systems for long-term remote income and avoid burnout. Master the tools, tech, and habits for focus, flow, and freedom. Travel the world or stay home in your PJs while earning online. Avoid isolation and stay mentally strong in the remote work lifestyle. You'll also discover high-earning portable hustles like coaching, digital products, and content creation. Low-tech job options like virtual assistant work, ESL teaching, and customer support. Income stacking strategies that turn unstable gigs into steady income. A full 30-day launch checklist to help you go remote fast with confidence. This isn't just a book; it's your blueprint for freedom. Whether you're a total beginner or ready to scale your current hustle, Remote Work Playbook will show you exactly how to earn from anywhere. No gatekeepers. No fluff. Just action.

Remote Work, Internal Marketing and Human Resource Management Teena Mishra, 2024-12-02 Remote working is a developing idea that many organizations are embracing, especially in light of COVID-19 and the rise in demand for remote and hybrid roles. As there is no standard model to use for implementation, a number of problems and difficulties develop as popularity increases and hybrid working environments become normalized. This book presents the views, opinions, and reality of remote work and creating an appropriate internal marketing culture in a remote environment. The key topics explored are the significance of remote work, remote work practice, reshaping the work environment, designing remote work models, remote work challenges, remote work facing business organizations, remote work management innovations, and technology, the role of motivation and satisfaction in organizational development, employee empowerment in a remote setting, transparency and commitment for sustainable development, and the future of remote work. This research volume will be of value to researchers, academicians, practitioners, and students in the fields of human resource management, organizational studies, and innovation management.
