Remote Relationships in a Small World Samantha Holland,2008 How do people have relationships when they are apart or develop them when they've never even met From MySpace and weblogs to romance and sexuality this book draws together a range of studies on remote relationships investigating the intricate intimate ways that people forge connections online The term remote refers to the technologies that facilitate forms of communication and also underlines the lack of physicality involved in these relationships developed at a distance Using empirical data these collected essays explore a wide variety of relationships examining the methodological and ethical issues that researchers face *Remote Relationships in a Small World* part of a new generation of online studies responds to the need for research that focuses on social relationships

Better Humans, Better Performance: Driving Leadership, Teamwork, and Culture with Intentionality Peter J. Rea,James K. Stoller,Alan Kolp,2022-12-27 Build a sustainable high performance culture around the seven classical virtues Virtue is more than a word

It's a way for us all to live a way to flourish as human beings. And when applied to organizational life, virtue serves to enhance engagement, strengthen teamwork, and foster success in business. **Better Humans Better Performance** connects the classical virtues: Trust, Compassion, Courage, Justice, Temperance, Wisdom, and Hope with science that can help you achieve results in areas such as: Cultivating excellence in leadership, High performing teams, Cultures that drive performance outcomes, Character education for families, Integrity as a growth market, The science of resiliency, Coaching, deliberate practice, and habits of high performance. **Better Humans Better Performance** is a practical guide to achieving individual, team, and organizational performance.

Global Strategic Management Philippe Lasserre, Felipe Monteiro, 2022-11-03. Seamlessly blending academic rigour and practicality, this textbook provides an introduction to global business strategy. Assuming a born global perspective, **Global Strategic Management** is supported by ample pedagogical features including numerous case studies and examples featuring both established multinationals and unknown SMEs from across the globe. The book takes an applied approach to global business strategy, emphasising functional parts of international business: managing, marketing, operations, HR, and finance. The text has been widely updated to incorporate the impacts of the Covid 19 pandemic, such as work from anywhere and deglobalization. New to this fifth edition is increased material on sustainability and corporate social responsibility, including discussion of climate change, NGOs, and sustainable development goals. Subjects such as the impact of technology, cryptocurrency, and global strategy in the digital space are discussed in more detail, while the conflict in Ukraine is also considered.

Building High-performance People and Organizations Martha I. Finney, 2008. Business success depends on employee innovation, drive, skill, endurance, and dedication. Engaged employees, studies show, provide tangible advantages to the organization and its bottom line: greater customer satisfaction, reduced turnover, higher productivity, improved profitability, better safety results, and higher stock prices. In contrast, the Gallup Organization has discovered that disengaged workers cost U.S. business between 250 billion and 350 billion each year. How do you engage employees and in turn create the high performance organization? With a different emphasis in each volume, that's what this set is all about.

Volume 1: The New Employer-Employee Relationship
Volume 2: The Engaged Workplace
Organizational Strategies
Volume 3: Case Studies and Conversations

From the latest theories on motivation to innovations in HR to methods to increase employee retention, it provides the essential insights and tools managers, leaders, and HR people need to find new ways to succeed while keeping employees happy, productive, and loyal. Employees know that cradle to grave or even week to week employment security is a thing of the past, and that they are at the helm of their own career ship. Discerning consumers in the employment marketplace therefore seek employment opportunities that speak not only to their wallets and life circumstances but also to their desire to find work that provides purpose and passion. How can employers meet these needs and create a team of engaged employees? That's a large question and one that spans a spectrum of issues that includes career development, human resource management, and the alignment between individual and organizational goals. In these three

volumes leaders and managers will find answers They feature articles interviews and reports from academics psychologists managers in the practical corporate world and experts in career management Despite what Donald Trump might say work is personal and the ways in which individuals navigate the organizational environment and businesses organize to seek attract and retain the best employees is of primary concern That goes double in these turbulent times when job security is at stake cynicism rampant and loyalty at risk This set Covers both theories and practices driving the development of the modern employment relationship from both employee and organizational perspectives Touches on the timely issues of career management balance of personal and professional goals and for organizations finding and retaining the best employees and creating workplace cultures that inspire them to do their best work Provides principles and practices that can be used by companies of all sizes in all sectors and in all parts of the world Features an all star cast of contributors from corporate leadership academia practice and consulting special elements include interviews with business leaders and many best practice examples Building High Performance People and Organizations connects the dots so employers can maintain a loyal satisfied and productive workforce Volume 1 The New Employer Employee Relationship This volume looks at trends in demographics and the general business environment leading to and driving the concept of employee engagement It addresses such issues as changing workforce demographics essential considerations in using employeesurveys building a high performance culture measuring and managing human capital engagement and change management managing virtual work teams and the impact of globalization and technology on the employer employee relationship Volume 2 The Engaged Workplace Organizational Strategies This volume focuses on real world organizational strategies to find develop and retain the best employees with an emphasis on innovative practices in both the U S and internationally Topics covered include hiring and staffing strategies the essential elements of work life balance
