*Mediating Plureality* Morten Bay,2025-03-24 In this book Morten Bay provocatively questions whether or not truth in media is lost and furthermore whether humans can perceive objective reality or as many neuroscientists and philosophers now believe we all perceive different realities constructed through predictive processing As affective polarization continues to render American democracy increasingly dysfunctional a situation largely inflamed by media Bay calls for a cultural shift in which these two conditions are reconciled Drawing on political philosophy this book presents an ethics that holds up responsible media conduct as a democratic duty of all media users This shift in ethical frameworks carries with it different implications for a variety of audiences including individuals media platforms and corporations media practitioners and journalists media studies scholars and society more broadly Each stakeholder involved will need to reconsider their approach to media and reality individuals must accept that everyone s perceptions of reality are different platforms and corporations must cease irresponsible practices that dissociate realities and stoke division practitioners and journalists must develop more nuanced epistemologies beyond The Truth and scholars must redefine media by foregrounding epistemology pluralism and physicality in media theory Collectively Bay argues we must come to a new understanding of reality as a plurality of realities a plureality

Making Sense From Nonsense Daniel Fuller,2025-02-26 For war Correct and normal posture is Scoliotic spine fixed in alignment with adopted language Shoulders slouching under symbolic statistics Head forward neck perfect for pain Not standing up against the costs Sitting down like a desk worker

fostering the process Virtue sleeping Its fire cliparted Straddling the boundaries between human creativity and AI between sense and nonsense between text and pictures Making Sense From Nonsense is a unique book of experimental poetry crafted from words generated by Google s algorithm and illustrated with full colour AI art Powerful poems and illustrations are rife with meaning whether that s a meaning plucked from the reader s mind or from the poet s Divided into four sections poems have a wide variety of styles The landscapes they describe range from the gothic fantasy splendour of The Magical A Medieval song streams from the crypt Like a curtain of night fog Tracking dew upon the spider webs to an often absurd present in Reality Sweet Myrtle lays them down wisely Her crispy potato chip collection In The Absurd Reality of Violence poems address wartime the migrant crisis and much more besides As the author notes in the introduction the best aspect of this collection of poems is that you need to figure out for yourself where the Nonsense stops and the truth begins **Busty B-Movie Beauties Pin Up** Eva Quim, These aren t photos They really really aren t These images are mostly AI generated and not only that there are no individual human beings involved in creating this content No copyrighted franchise characters or living artist prompts were invoked in their creation None of this content reproduces copyrighted photographs or illustrations no image search reveals a match for any of them because while I have used AI to assist in their creation there are no raw AI images in this book I begin with a customized Stable Diffusion model SDXL2 based a checkpoint merge of several models and my own artwork I generate a thousand images at a whack on my own computer using open source Stable Diffusion software Then the hardest part which is curation finding the good ones the one out of a hundred worth finishing Next comes the laborious Photoshop repainting and recoloring repainting oh so many hands compositing correcting anatomy through judicious liquefaction and obsessive noodling and a lot of adjustments small and large Puppet warp Background replacement In painting with Adobe s image generation to remove stupid AI crap repair eyes fingernails background elements I edit their expressions until the images come alive spending a lot of time on the eyes The raw AI images never work for me until I tweak them At some point this means the images may have become copyrightable derivative works if not this content may prove to be public domain only a court can decide decisions have gone either way On a case by case basis I don t care one way or the other I m doing this work sharing it bashing together something unique I m very unlikely to make my professional design rate on this stuff It s a labor of love so far anyway At any rate I hope you enjoy my pin ups
