The Influence Economy Tarun Jindal, 2025-02-20 The Influence Economy is a comprehensive exploration of the rapidly evolving landscape of digital influence. In today's interconnected world, influence has become a powerful currency shaping consumer behavior, brand strategies, and online communities. We delve into the multifaceted ecosystem of influencers, brands, and consumers that drive the modern economy. Through cutting-edge research, real-world case studies, and expert insights, we examine the various facets of the influence economy. From micro-influencers to macro-influencers and from sponsored content to affiliate marketing, this book explores how influence permeates every aspect of our digital lives. Authenticity, trust, and engagement are at the heart of the influence economy, and we provide a roadmap for navigating its complexities. Empowering brands and influencers to harness the power of influence, we help drive meaningful connections and achieve tangible results. Covering topics such as influencer marketing strategies, ethical considerations, and the future of digital influence, **The Influence Economy** offers practical insights and actionable advice. Whether you're a brand looking to leverage the power of influencers, an influencer seeking to build your personal brand, or a marketer aiming to stay ahead of the curve, this book provides the tools, strategies, and inspiration you need to succeed.

The Routledge Handbook of Digital Sport Management Michael L. Naraine, Ted Hayduk III, Jason P. Doyle, 2022-12-01 The Routledge Handbook of Digital Sport Management provides students, researchers, and practitioners with a contemporary roadmap of the impact of digital technologies in sport management at all levels and in all sectors in a global context. Divided into three sections addressing digital transformations, digital tools, and emerging digital issues, this book explores the impact of digital technology in the core functional areas of sport management, such as sponsorship, event management, and human resources. It introduces essential digital innovations such as esports, social media, VR, wearables, analytics, and artificial intelligence, and examines the debates and issues that are likely to shape and transform sport business over the next decade. The only book to survey the full sweep of digital sport management, this book is an essential reference for all serious students of sport business and management, any researcher working in the nexus of sport business and digital, and all managers, policy makers, or associated professionals working in the sport industry.
