Strategic Human Resource Management: Exploring Emerging Trends through Practice and Cases Dr. Vinesh,Ms. Shweta Dubey,Dr. Shivam Agarwal,2025-07-04

Hybrid Happiness Barbara Plester,2025-10-26 This book offers a unique exploration of the social and emotional impacts of working in new flexible ways such as the increasingly popular hybrid work modes With a specific focus on fun and play the book is based on recent ethnographic research exploring how hybrid work

has changed workplace behaviours and interactions and how these social aspects of work are increasingly important in hybrid work. Fun and play are still happening but are occurring in new ways and forms as workers navigate fast changing workscapes while still seeking happiness, frivolity and laughter in their work relationships. The book presents current debates on these topics along with rich organisational observed examples, online chat and interview excerpts from a variety of workers and managers.

Quality of Work-Life During Pandemic Gitanjali Rahul Shinde, Soumi Majumder, Haribhau R. Bhapkar, Parikshit N. Mahalle, 2021-11-22. This book is focused on the impact of the COVID 19 pandemic on different sectors i.e. education, real estate, health and agriculture. The lockdown has been announced to control the spread of COVID 19 infections; however, people, industries, organizations were not ready for lockdown and it has greatly affected their growth. The front workers in the healthcare sector suffered a lot as major responsibilities they needed to carry on. The education sector is also hampered due to the pandemic as schools, colleges were closed and teaching examinations were carried out on online platforms. These platforms were new to teachers as well as students. The real estate sector faced tremendous loss in this pandemic as people were scared and no one ready to invest their money in such an uncertain time. The agriculture field is also suffered as raw materials required for agriculture were not available readily due to pandemic. This book presents a survey that is conducted to understand the impact of COVID 19 on the quality of work life in various sectors. The survey is focused majorly on four sectors i.e. education, healthcare, real estate and agriculture. Data analysis is done based on responses of survey and mathematical modeling is provided for each case study.

Organizational Behavior and Virtual Work Arvind K. Birdie, Madhu Jain, 2017-03-03. With the globalization of work and technological advancements in recent years and with emphasis on service quality, today organizations have changed. Virtual work has emerged as the new employment relationship and has been embraced by employees and employers in many industries. This book explores the dynamics of changing organization structures, theories of leadership and trust and how dimensions of self efficacy works in this new work relationship. *Organizational Behavior and Virtual Work: Concepts and Analytical Approaches* shows the enormous impact of technology and globalization on employment relationships and also predicts how they will contribute to the changing dimensions of organizations in the future. With a unique blend of theory and application in the real world of virtual workers, the book presents the most recent research and developments in the relatively new and still emerging area of virtual work. It takes an in depth critical look into the key factors affecting the virtual work environment with practical inputs of suggestions and recommendations. With the objective of presenting information about this new work scenario, this book attempts to unfold important human behavior processes in organizations. The volume presents a rare combination of the necessary concepts of human behavior in organizations along with the results of research in the field and also makes practical recommendations on virtual work programs. Key features include a unique blend of research with organizational behavior concepts and practical recommendations for workers, managers and business executives.
