Media Industries Jennifer Holt, Alisa Perren, 2011-09-19 Media Industries History Theory and Method is among the first texts to explore the evolving field of media industry studies and offer an innovative blueprint for future study and analysis capitalizes on the current social and cultural environment of unprecedented technical change convergence and globalization across a range of textual institutional and theoretical perspectives brings together newly commissioned essays by leading scholars in film media communications and cultural studies includes case studies of film television and digital media to vividly illustrate the dynamic transformations taking place across national regional and international contexts

Downtime Mark Goble, 2025-06-17 Slow motion has become perhaps the least special effect in film and media a stylistic technique for showing violence dream sequences and flashbacks or other experiences outside ordinary time We see so much slow motion on our screens today that we can look past its history and forget how rare it was before the 1960s when films such as *The Wild Bunch* *Bonnie and Clyde* and *2001 A Space Odyssey* helped it explode in popularity at a moment of cultural

change and social upheaval This ambitious book tells the story of slow motion tracing a broader fascination with the uneven speeds of modern life and our ability to comprehend them Downtime explores the history and aesthetics of slow motion from its origins in early film to its prominence today Mark Goble argues that the effect's sudden visibility after 1968 registers experience of modernity as a period of perpetual acceleration that somehow makes even the smallest intervals of time feel endless Ranging across literature art and cinema including novels by William Faulkner Don DeLillo and W G Sebald as well as Robert Smithson's Spiral Jetty and Julie Dash's Daughters of the Dust he describes how writers and filmmakers depict the velocities and durations of contemporary life Goble reveals the twentieth century and its aftermath as figured in slow motion rushing past and deliriously delayed everything going fast and slow at once Downtime is about time and its technologies in an accelerated world that can advance only in slow motion

Dalits and Dalit Lives in 21st Century India: Towards a New Politics Tamanna Priya, Amrit Mishra, 2025-01-07 This comprehensive body of work illuminates the new ways to remember caste and comprehend the enduring anguish it has imposed upon individuals across generations thereby paving the way for a more informed understanding of its profound impact on Dalit lives throughout the annals of time This work not only adds depth to the existing discourse but also serves as a catalyst for broader understanding and appreciation of the complexities inherent in Dalit experiences and their representation or misrepresentation In doing so the volume challenges the traditional social order's ability to address caste based discrimination effectively and also makes an attempt to find alternative ways to understand the conundrum of caste It delves into the necessity of alternative discourse particularly the significance of Dalit discourse and hence the imperative need for diverse and inclusive discourses The volume represents the individual voices of the editors and contributors who are eminent academics and provides a more holistic approach to the examination of the socio economic cultural and political landscape of the Dalit community in contemporary India Their contribution enriches the current body of literature on Dalit Studies with a specific focus on the evolving dynamics within politics academia popular culture digital culture political economy ideological perspectives and representation or misrepresentation among others The chapters also demonstrate the profound impact of various modern influences on the lives of the younger generation of Dalits In doing so it sheds light on how access to information technology the pervasive use of social media digital media the influential role of music and cinema in cultural resistance and the discourse of protest politics collectively shape the experiences and perspectives of the young Dalit community This literary work presents an invaluable opportunity for scholars researchers and students and a methodological aid for classroom adoption for discerning readers to immerse themselves in an exploration of a significant community in India and its multifaceted presence within contemporary literature and culture
