Trending Youtube Automation Channel For Dads:

The YouTube Apparatus Kevin Munger, 2024-05-15 The academic agenda for studying social media and politics has been somewhat haphazard Thanks to rapid technological change a cascade of policy relevant crises and sheer scale we do not have a coherent framework for deciding what questions to ask This Element articulates such a framework by taking existing literature from media economics and sociology and applying it reflexively to both the academic agenda and to the specific case of politics on YouTube the Supply and Demand Framework The key mechanism traced over the past century is the technology of audience measurement The YouTube audience comes pre rationalized in the form of Likes Views and Comments and is thus unavoidable for all actors involved The phenomenon of radicalization is best understood as a consequence of accelerated feedback between audiences and creators radicalizing each other I use fifteen years of supply and demand data from YouTube to demonstrate how different types of producers respond more or less to this feedback which in turn structures the ideological distribution of content consumed on the platform This title is also available as Open Access on Cambridge Core

New Dark Age James Bridle, 2018-06-19 From the highly acclaimed author of *WAYS OF BEING* We live in times of increasing inscrutability Our news feeds are filled with unverified unverifiable speculation much of it automatically generated by anonymous software As a result we no longer understand what is happening around us Underlying all of these trends is a single idea the belief that quantitative data can provide a coherent model of the world and the efficacy of computable information to provide us with ways of acting within it Yet the sheer volume of information available to us today reveals less than we hope Rather it heralds a new Dark Age a world of ever increasing incomprehension In his brilliant new work leading artist and writer James Bridle offers us a warning against the future in which the contemporary promise of a new technologically assisted Enlightenment may just deliver its opposite an age of complex uncertainty predictive algorithms surveillance and the hollowing out of empathy Surveying the history of art technology and information systems he reveals the dark clouds that gather over discussions of the digital sublime

YouTube Success Strategies for The Elderly 2020

Konrad Christopher, 2020-05-15

As a Senior, do you want to be a successful Youtuber? Are you finding it difficult to settle for a Profitable Niche? Do you want to avoid the pitfalls of most Youtuber encounters starting out? Do you want to increase your Subscriber base? Then it would help if you had this book. One thing is to have an impressive skill, and another is learning how to monetize it. In this age and time, people have constantly reinvented themselves, creating a niche in what they know best to do and therefore monetizing it. We can agree that no matter how skillful you are, if you don't know how to utilize it, your skills are wasted. If your dream is escaping the unending rat race of poverty, earning big figures just by pushing out video contents about something as simple as how to cook your favorite dish, Derick Richard has something for you. This eBook emerges from the author's deliberate attempt at trying to share what works and what doesn't when it comes to becoming a famous and successful Youtuber. In this eBook, Derick goes beyond the ordinary steps involved and dives into what it takes precisely to identify your YouTube niche and using YouTube analytics to grow your channels fast. Derick explained, albeit clearly, his tried and tested steps to know which particular video editing software you should invest your money in. He amplifies basic editing tricks and tips, telling it straight about why each video editing works and which is preferable over the other. His only word for you is to stay glued and enjoy a full ride to establishing your own Youtube channel within some hours of thinking about it.

Other Information you will get from this book include:
