You attempted to describe the relationship between the variables, but the pattern was not clear.	You were able to describe the relationship between variables with limited detail. You should work on including a scientific reason for why that pattern exists.	You were able to describe the relationship between variables in detail, including a scientific reason for why that pattern exists.	You were able to describe the relationship between variables in detail, by specifically stating the correlation between them. You included scientific reasons for why that correlation exists.
