

## Converting 2<sup>nd</sup> Edition AD&D to The Basic System

If you're like me, you don't have too much of an RPG budget, so you focus your gaming energies on free downloads, like The Basic System (TBS), and RPG books available as inexpensive PDF downloads like almost the entire corpus of 2<sup>nd</sup> Edition AD&D. This document attempts to convert the essential elements of 2<sup>nd</sup> Edition AD&D, and 1<sup>st</sup> Edition for that matter, to TBS. These conversions come out a bit high; adjust as needed.

### Disclaimer

The conversion conventions, especially those involving magic, I use here are my own [Curt Meyer's] and are not necessarily officially sanctioned by J. Parker or Dilly Green Bean Games.

### Converting Stats

Although the stats have different names and slightly different functions in both systems, the raw numbers translate directly unless otherwise noted. Consult the table below for TBS and AD&D stat equivalents:

| TBS Main Stat | AD&D Stat                                 |
|---------------|---|
| Intelligence  | Intelligence                              |
| Willpower     | Wisdom                                    |
| Charisma      | Charisma                                  |
| Agility       | Dexterity                                 |
| Strength      | Strength                                  |
| Endurance     | Constitution                              |
| Speed         | (Base Movement Rate -1) + ½ Endurance MSB |

### Converting Percentile Based Class Skills and Weapon and Non-Weapon Proficiencies

To convert a class ability or stat bonus expressed in a percentile, divide that percentile by five (5) and then assign the result as the skill level to a corresponding TBS skill. Can't find it ... make it up. TBS is all about flexibility. Similarly, assign a skill level for each weapon and non-weapon proficiency equal to the number of slots each proficiency occupies.

### Converting Racial Bonuses

Purgatory Fantasy RPG covers conventions for the Natural Abilities (NAB) of most the best loved fantasy humanoid races. If you don't have that PDF, then simply convert the bonuses directly based on the above stat conversion guidelines.
