American on Purpose LP Craig Ferguson, 2009-09-22 In *American on Purpose* Craig Ferguson delivers a moving and achingly funny memoir of living the American dream as he journeys from the mean streets of Glasgow Scotland to the comedic promised land of Hollywood Along the way he stumbles through several attempts to make his mark as a punk rock musician a construction worker a bouncer and tragically a modern dancer To numb the pain of failure Ferguson found comfort in drugs and alcohol addictions that eventually led to an aborted suicide attempt He forgot to do it when someone offered him a glass of sherry But his story has a happy ending in 1993 the washed up Ferguson washed up in the United States Finally sober Ferguson landed a breakthrough part on the hit sitcom *The Drew Carey Show* a success that eventually led to his role as the host of CBS's *The Late Late Show* By far Ferguson's greatest triumph was his decision to become a U S citizen a milestone he achieved in early 2008 just before his command performance for the president at the White House Correspondents Association Dinner In *American on Purpose* Craig Ferguson talks a red white and blue streak about everything our Founding Fathers feared

Playful, Glad, and Free Jessica Decou,2013-09-01 This book offers a critical analysis and reinterpretation of Karl Barth s theology of culture the least studied aspect of his work revealing his significance for contemporary work in theology of culture by applying his approach to the study of popular culture and entertainment Grounding the study in Barth s eschatology which proves more amenable to secular culture than other models DeCou shows that Barth s approach recognized that the freedom of theology is qualified by the freedom of the Word and the freedom of secular culture Barth therefore offers a middle way for evaluating and analyzing culture and religious forms This book thus opens up a new avenue of interpretation of Barth and applies the insights of Barth s theology in fresh ways to the structures of contemporary culture and its products
