A Creative Life

So, what does creativity look like in your life?
Give five examples of ways that you are creative
in a daily basis.

Remember: Creativity isn't simply *letting* a new
perspective to think of a solution. For example, if
you don't have an ingredient you need to make
dinner, you improvise by replacing it with
something different. Or, if you work in retail or
sales, you might offer unique product
recommendations for each customer.
