Crossing The Wire Will Hobbs:

Crossing the Wire Will Hobbs, 2007-04-10 When falling crop prices threaten his family with starvation fifteen year old Victor Flores heads north in an attempt to cross the wire from Mexico into the United States so he can find work and send money home But with no coyote money to pay the smugglers who sneak illegal workers across the border Victor must struggle to survive as he jumps trains stows away on trucks and hikes grueling miles through the Arizona desert Victor s journey is fraught with danger freezing cold scorching heat hunger and dead ends It s a gauntlet run by millions attempting to cross the border Through Victor s often desperate struggle Will Hobbs brings to life one of the great human dramas of our time

Crossing the Wire Will Hobbs, 2007-05-17 P1R L3NF Us and Them *So What Do They Really Know?* Cris Tovani, 2023-10-10 So What Do They Really Know Cris Tovani explores the complex issue of monitoring assessing and grading students thinking and performance with fairness and fidelity Like all teachers Cris struggles to balance her student centered instruction with school system mandates Her recommendations are realistic and practical she understands that what isn t manageable isn t sustainable Cris describes the systems and structure she uses in her own classroom and shows teachers how to use assessments to monitor student growth and provide targeted feedback that enables students to master content goals She also shares ways to bring students into the assessment cycle so they can monitor their own learning maximizing motivation and engagement So What Do They Really Know includes a wealth of information Lessons from Cris s classroom Templates showing how teachers can use the workshop model to assess and differentiate instruction Student work including samples from linguistically diverse learners struggling readers and college bound seniors Anchor charts of student thinking Ideas on how to give feedback Guidelines that explain how conferring is different from monitoring Suggestions for assessing learning and differentiating instruction during conferences Advice for managing ongoing assessment Cris s willingness to share her own struggles continues to be a hallmark of her work Teachers will recognize their own students and the challenges they face as they join Cris on the journey to figure out how to raise student achievement

Teaching Young Adult Literature Today Judith A. Hayn, Jeffrey S. Kaplan, Karina R. Clemmons, 2016-11-02 Teaching Young Adult Literature Today introduces the reader to what is current and relevant in the plethora of good books available for adolescents More importantly literary experts illustrate how teachers everywhere can help their students become lifelong readers by simply introducing them to great reads smart insightful and engaging books that are specifically written for adolescents Hayn Kaplan and their contributors address a wide range of topics how to avoid common obstacles to using YAL selecting quality YAL for classrooms while balancing these with curriculum requirements engaging disenfranchised readers pairing YAL with technology as an innovative way to teach

curriculum standards across all content areas Contributors also discuss more theoretical subjects such as the absence of lesbian gay bisexual transgender and questioning LGBTQ young adult literature in secondary classrooms and contemporary YAL that responds to the changing expectations of digital generation readers who want to blur the boundaries between page and screen This book has been updated to reflect the wealth of new YA literature that has been published since the first edition appeared in March 2012 and to reflect new trends in technology that influences how adolescents are reading and responding to literature
