A Global View on Intercultural Management Jürgen Rothlauf,2014-12-11 Whatever their industry of origin all companies
 are facing the same challenge to a greater or lesser degree globalization It is becoming more and more evident that
 companies need to plan ahead and anticipate coming developments if they are to be successful in the future Today it is
 crucial to establish a solid competitive position in the global arena There is no doubt that a corporate culture that is open to
 innovation and shaped by global thinking plays a key role in this context A culture in which representatives of different
 countries und cultures can come together anticipating and understanding the cultural challenges creates the foundation of
 any international business A global view on intercultural management will be the key to successfully doing business in
