Culture of Honor Danny Silk, 2009-12-28 The Culture of Honor is a book of reformation It is intended to disrupt our current model of authority Jesus put it like this in Matthew 20 25 26 But Jesus called them to Himself and said You know that the rulers of the Gentiles lord it over them and those who are great exercise authority over them Yet it shall not be so among you but whoever desires to become great among you let him be your servant Those with power must learn to empower those around them or we will never build Heaven on the Earth *Apostolic Governance In The 21st Century* Greg Wallace, 2019-04-20 Greg has been led of the Holy Spirit to capture what the Lord is doing in this new apostolic age says Che Ahn Apostolic Governance provides insight into the spiritual leadership administrative and legal dynamics of governing a ministry apostolically It is a how to guide of building healthy ministries that advance the Kingdom of God Apostolic Governance takes us beyond pastoring local congregations to creating communities of expanding influence with social and economic impact It is a blueprint for building powerful and healthy apostolic ministries that enlarge our perception regarding what is possible God has called us to bring heaven to earth With an apostolic mindset our Kingdom communities can shape cultures transform cities and disciple nations **I Choose Honor** Rich Wilkerson, 2019 This book will lead readers to deeper relationships with others It explains how to recognize that each person as a creation of God deserves honor Counterfeit Kingdom Holly Pivec, R. Douglas Geivett, 2022-11-15 Is there a new reformation happening in the church It depends on who you ask The New Apostolic Reformation NAR is a popular and fast growing new movement of Christians who emphasize signs and wonders and teach that God is giving new revelation through new apostles and prophets But is this biblical Christianity In Counterfeit Kingdom apologists and NAR experts Holly Pivec and Douglas Geivett show how the NAR's key tenets distort the gospel twist the Scriptures are influenced by New Age practices and lead faithful Christians to shipwreck their faith They also offer practical suggestions for readers who are already influenced by the NAR curious about it or concerned about loved ones who have been swept up in the movement What used to be on the fringes of the church is now mainstream and many are being influenced by it unaware This book is a wake up call *Hillsong Church* Miranda Klaver, 2021-07-09 This book highlights the expansion of the influential Pentecostal Hillsong Church global megachurch network from Australia across global cities Ethnographic research in Amsterdam and New York City shows that global cities harbor nodes in transnational religious networks in which media play a crucial role By taking a lived religion approach media is regarded as integral part of everyday practices of interaction expression and consumption of religion Key question raised is how processes of mediatization shape alter and challenge this thriving cosmopolitan expression of Pentecostalism Current debates in the study of religion are addressed religious belonging and community in global cities the interrelation between media technology religious practices and beliefs religion media and social engagement in global cities media and emerging modes of religious leadership and authority In this empirical study pressing societal issues like institutional responses to sexual abuse of

children views on gender roles misogyny and mediated constructions of femininity are discussed *Created to Live* Cathy Harris,2016-12-27 In today s America an abortion is performed every 26 seconds Since 1973 nearly 58 million abortions have been performed in the United States alone devastating countless women men and families If you have had an abortion know someone who has or desire to make a pro life impact in your community *Created to Live* features resources hard truths and practical steps to help end the abortion epidemic The days of hanging in the balance are over The grey area is quickly becoming black or white The choice is ours Cathy Harris a post abortive woman herself gives insight through her own story Looking for new life for herself after her abortion Cathy was brave enough to step through the doors of a church Because of one bold conversation a genuine community and a merciful God life found her Now she dreams that other women will find the abundant life they search for both before and after abortion Equipping women church communities and pastors *Created to Live* starts the conversation that few are brave enough to start God will always be merciful will you be part of the abortion free community that thousands of women and babies need **The Practice of Honor** Danny Silk,2012-06-28 Honor In Today s World A one of a kind book in both subject and perspective *The Practice of Honor* is about reformation of honor it is intended to disrupt your current model of authority Jesus put it like this You know that the rulers of the Gentiles lord it over them and those who are great exercise authority over them Yet it shall not be so among you but whoever desires to become great among you let him be your servant Matthew 20 25 26 In some realms honor is something defended to the death However you have defined and cultivated honor up to now *The Practice of Honor* may require a significant paradigm shift in your thinking Based on the revival culture of the very spiritually successful Bethel Church in Redding California this book is also a template to help any leader develop an environment that brings out the very best in people *The Practice of Honor* is a recipe for introducing the Spirit of God and all of His freedom and how to host and embrace that freedom as a community of believers Those with power must learn how to empower those around them or Heaven on the earth will never be realized as God intended **Manuvu' Social Organization** E.
