**Remembraunce the Keye** Uwe Böker, Dieter A. Berger, Noel Harold Kaylor, 2004 The papers in this book examine the thematic structural and aesthetic relationship between medieval English literature and a wide variety of more recent modern texts Some of the contributors re examine the concepts of authority and representation in Chr tien and Malory and of medieval romance and the modern novel while Caxton s Morte Darthur is interpreted from the point of view of Norbert Elias other focuses of interest are the love death motif in nineteenth century novels the comic in contemporary British fiction the literary representations of Arthurian characters Galahad Tristan Gawain and recent Beowulf translations In addition there are socio historic and generic readings of Chaucer s Sir Thopas and of Troilus and Criseyde of Ipomadon and Malory s Morte Darthur Aspects of medieval heritage are uncovered in Horace Walpole F rst P ckler Muskau Georg Kaiser A S Byatt David Lodge Fay Weldon Iris Murdoch the Irish novelist Eamonn Sweeney and the Polish writer Andrzej Sapkowski in William Gibson s cyberpunk novel Neuromancer and Peter Ackroyd s recent Clerkenwell Tales In addition there is a translation of Karl Heinz G ller s former essay on Chancer s Troilus and Criseyde      Fractures and Disruptions in Children's Literature Maria Teresa Cortez, Sandie Mourão, Ana Margarida Ramos, 2017-11-06 In March 2015 the eleventh edition of The Child and the Book Conference was organized at the University of Aveiro in Portugal The conference was related to the theme of fracture and disruption in children s and young adult literature This publication provides not only a synthesis of the main reflections but also a starting point for understanding the issues of fracture and disruption within children s and young adult literature The volume gathers texts from consolidated figures within the field of research in Children s Literature as well as contributions from junior researchers creating bridges and dialogue between both generations and critical and theoretical approaches It includes chapters on violence war sexuality and politics discussion around formal stylistic perspectives analysis of fringe works and hybrid literary forms as well as the issue of audience and the crossover universe Special reference should be given to the inclusion of contributions from lesser known countries and literatures such as Brazil Italy Norway Poland and Portugal The volume will be of interest to children s literature specialists graduate and post graduate students librarians and mediators of reading      **Collision of Realities** Lars Schmeink, Astrid Böger, 2012-05-29 Even though the fantastic in its most inclusive definition has been a part of our culture for as long as it exists it has not been a prominent feature of European academic interest With its inherent transgressive moment the fantastic allows for an ideal space of the cultural negotiation of political social and physical boundaries which should place it at the center of popular cultural research not as is the case at its periphery But the commencing boom of fantastic themes in contemporary media production has facilitated a paradigmatic change in research prompting a wide interest in the fantastic in all its forms from fantasy to horror from fairy tale to science fiction This volume addresses this growing interest by reviewing the status of research on the fantastic in

Europe so far and by providing a necessary outlook for the future In the essays current trends such as the liminality debate as well as established discourses as for example on genre theory are brought together to show interested researchers a network of interdisciplinary from literary media and social studies approaches towards the fantastic      **Narracje fantastyczne** Ksenia Olkusz, Krzysztof M.
