Fixed Revenue Accounting: A New Management Accounting Framework Kenichi Suzuki, Bruce Gurd, 2018-10-30 This book is the first in the management accounting framework literature to provide readers with insights on how to manage revenue and profit models by developing relationships with customers The Principal Editor Professor Kenichi Suzuki is the founding father of Fixed Revenue Accounting FRA and his inputs offer invaluable insights on how businesses can increase revenue and adopt preventative measures to deal with the fluctuations in the economy FRA is a new management accounting tool that evaluates and manages the impacts of fixed customers on a company's financial health Fixed customers refer to frequent or regular customers who are expected to repeat their purchases Their repeated purchases produce stability of revenue which in turn creates a stable profit environment and certainty The profitability and stability generated by fixed customers can be utilized for strategic management planning and decision making to encourage investment for future growth This book provides a deep understanding of the usefulness of the new management accounting tool and covers both the introduction of the concept of FRA and accompanying case studies in the contexts of Japanese manufacturing and service companies adopting the FRA model by examining profitability stability and growth analysis

Managerial Accountant's Compass Gary Oliver, 2018-10-09 This is the first detailed view of the managerial accountant's role and responsibilities in organization setting Its aim is to foster role development the opportunity to work at an advanced level of practice Accounting studies develop technical skills associated with topics and responding to defined scenarios but provide very little guidance on what to recognizing and approaching the broad problems or challenges under conditions of uncertainty It is a double first because it provides the managerial accountant's compass as a general purpose analytical framework for managerial accounting independent of any selected theory and method The metaphor of a compass creates a mental schema for its four points named 1 goals and principles 2 boundaries and constraints 3 methods and models and 4 collegial relationships Dynastic Chinese and some other Central Asian cultures view the center as a fifth principal direction giving a total of five points The center represents a high standard ethical conduct and self care or moral compass Managerial Accountant's Compass offers

an integrated and systematic guide to approaching situations that are constantly changing It gives a protective starting pattern which produces new meanings and awareness of the ambiguity and uncertainty for each situation Ultimately the managerial accountant s compass can help you make more effective sense of yourself your expertise and your practice in the organization where you work which should open career opportunities *The Perception of Quality* George N.
