and an awareness of their professional role and responsibilities

Professionals' Perspectives of Corporate Social

Responsibility Samuel O Idowu, Walter Leal Filho, 2009-10-21 Since the general acceptance of the field of corporate social responsibility worldwide corporate entities and those who act for them either as executives or ordinary employees are expected to be socially responsible Being socially responsible has a number of quantifiable and unquantifiable benefits for the entity and its stakeholders It improves the entity's bottom line results protects jobs and is also better for the environment As such it makes good sense for professionals and those that they interact with as colleagues suppliers of goods and services lenders etc to want to take the issue of CSR seriously This perhaps explains why this book has chosen to explore how 19 professions across the world have integrated and continue to impress upon their staff the importance of CSR in their operational activities We are constantly reminded that our world's natural resources are exhaustible we can therefore no longer live for today alone if we do not want to cause substantial problems for future generations

Accounting: Business

Reporting for Decision Making, 7th Edition Jacqueline Birt, Keryn Chalmers, Suzanne Maloney, Albie Brooks, Judy Oliver, David Bond, 2020-01-21 The seventh edition of Birt's Accounting textbook is designed for the core accounting unit in a business or commerce degree Many students who plan to major in soft side disciplines such as marketing or human resource management need a clear and accessible text that emphasises the relevance of accounting to business The Accounting interactive e text features a range of instructional media content designed to provide students with an engaging learning experience This includes practitioner videos from Ernst Young animated work problems and questions with immediate feedback Birt's unique resource can also form the basis of a blended learning solution for lecturers
