CRAFTING AND EXECUTING STRATEGY Arthur A. Thompson, 2021 Crafting and Executing Strategy Alex Janes, Ciara Sutton, 2017-02-16 This new edition of Crafting and Executing Strategy continues to provide a valuable resource for European readers while embracing new and updated core concepts and key theories in strategy. Throughout the text you will find a range of examples that illustrate how strategy works in the real world and encourage the practical application of learning. Complementing the chapters is a section of new cases providing in-depth analysis of the challenges of strategic management at a range of companies. This edition includes A new 6Ds framework allowing readers to structure their approach to strategic management around the fundamental elements of the strategy process: Diagnosis, Direction, Decisions, and Delivery and the context within which that process is managed. Dynamism and Disorder Opening cases that begin each chapter and feature real-life business scenarios from companies such as Tinder, Ikea, and Victorinox introducing strategic concepts and theories. Illustration Capsules which have been updated to illustrate contemporary business concerns and demonstrate how companies have reacted strategically, increasing understanding of successful strategies. Companies featured include Burberry, TOMS, Aldi, Novo Nordisk, and more. Key Debates that stimulate classroom discussion and encourage critical analysis. Emerging Themes that present contemporary strategic opportunities and issues such as ripple intelligence and technology and new organizational structures. A Different View encouraging readers to appreciate differing viewpoints on strategic concepts and theories. End of chapter cases that capture each chapter's main theories through engaging cases on companies such as Adidas and Nike, Lego, and Uber. New recommended reading at the end of each chapter which helps to further knowledge including classic texts and advanced reading and author notes providing context. Connect is McGraw Hill Education's learning and teaching environment that improves student performance and outcomes while promoting engagement and comprehension of content. New for this edition are interview style videos featuring author Alex Janes in discussion with business leaders exploring how organizational strategy has developed within companies as diverse as Jeep, Levi Strauss, Novo Nordisk, and a prestigious oil and gas company. The videos are provided in full length or in segments with questions aimed at encouraging classroom discussion or self-testing. This new edition is available with SmartBook, McGraw Hill Education's adaptive digital tool that tests students' knowledge of key concepts and pinpoints the topics on which they need to focus study time. Crafting and Executing Strategy is also available with both The Business Strategy Game and GLO BUS, the world-leading business strategy simulations.

International Management Behavior Henry W. Lane, Martha L. Maznevski, Joerg Dietz, Joseph J. DiStefano, 2010-03-02 Now in its sixth edition International Management Behavior continues to help students develop the knowledge perspective and skills they need in order to conduct global business successfully The combination of well chosen new and classic cases as well as a completely revised text provides excellent exposure to real life management issues and a field tested framework for understanding cross cultural dynamics Elimination of the readings has provided for greater flexibility and customization For the sixth edition the structure of the book has been totally revised and the text thoroughly updated to Reflect the authors recent experiences Material in the original chapters has been expanded and there are new chapters on managing change in global organizations and one on managing global teams and networks The concept of the global mindset is used as the integrating theme that establishes a framework for the book making it applicable at both individual team and organization levels This book continues its tradition and orientation about managing people from different cultures and managing global organizations to get effective results This is much more than a new edition It is a huge step forward The strategy and culture chapters get in much closer to the small focused details that make such a difference in implementation and that are so difficult to teach Separating out personal integrity and corporate citizenship allows for a close examination of critical issues that are all too often glossed over The expanded explanation of the MBI model works well Jeanne McNett Assumption College
