The Handbook of Carbon Management Petra Molthan-Hill,Fiona Winfield,Richard Howarth,Muhammad Mazhar,2023-02-27 Winner of the 2024 Business Book Awards Change Sustainability category Winner of the Bronze Axiom Business Book Award 2024 in the Philanthropy Non Profit Sustainability category Every manager and every employee in every function can embed climate solutions and reduce greenhouse gas emissions This book written by experts in the field of sustainability in business shows you how The climate crisis is one of the greatest

challenges we face today and it affects all aspects of business and society. Consequently, everyone needs to know the best high impact climate solutions that can be embedded into their organisational area. In this book, you will find ideas for your team, your department, and your organisation to make this a reality. We provide you with implementation plans and inspiring case studies with practical and helpful tools that will help you to scale up climate solutions effectively and efficiently. If you are an owner of a company or an executive in any organisation, you will benefit from this step by step guide on how to set up your own greenhouse gas management plan, how to set targets, and how to reduce the greenhouse gas emissions of your whole organisation. We explain key terms such as Net Zero, Carbon Neutral, carbon emissions equivalents, and the three scopes. In order to halve our emissions worldwide by 2030 to achieve Net Zero by 2050, individual actions on a large scale are required, but also systemic changes. We look at the bigger picture in this book and also how you could effect change. This is the first book to offer an easy to implement approach to decarbonise organisations and transform societies and is appropriate for managers at any level. This book can also be used in business schools to inspire future managers and business leaders. Last but not least, everyone can find ideas here that they can implement in their personal lives, let's scale up together.
