Easy Hybrid Work Schedule For Students:

Engaging Learners Everywhere Nathan Mentzer, Abdul Moeed Asad, Adrie A. Koehler, Lakshmy Mohandas, Elnara Mammadova, 2025-12-15 Initially conceived as a workaround related to the crisis precipitated by the COVID 19 pandemic and the resulting lockdown of 2020 Interactive Synchronous HyFlex reimagines an active learning team based classroom making it possible for any student to participate fully whether they are seated in the back row or joining from elsewhere in the world Developed and refined by the authors through five years of classroom experimentation and National Science Foundation funded research this forward facing approach which refers to online synchronous hybrid delivery and combines the terms hybrid and flexible brings together learners in a single classroom who have the daily option of meeting face to face or synchronously online Through simple ideas thought provoking questions and practical examples Engaging Learners Everywhere reveals how existing technology such as video conferencing and digital collaboration tools can help bring students together in more robust and inclusive learning communities This teaching model minimizes the disruptions and challenges instructors frequently encounter due to inclement weather illnesses and travel conflicts Additionally features such as live captioning screen sharing and classroom recordings benefit all students not just those with disability accommodations Ultimately Interactive Synchronous HyFlex provides a more elastic pedagogical approach that allows students to remain engaged and connected to their instructors and to each other

Shifting Self and System

Ruby Ababio-Fernandez, Courtney Winkfield, 2023-08-30 The pathway to equity begins with YOU Good intentions are not enough To dismantle the structural inequities that continue to plague our schools dedicated leaders must move beyond buzzword rhetoric to a place of action where concrete steps trace a path to strategic action and sustainable impact The authors of this book have made that shift Drawing from their experiences leading the educational equity agenda for the nation's largest school district they present their model for practical outcome oriented antiracist leadership Features include An original framework built on five interdependent pillars Self Mastery Adaptive Leadership Racial Literacy Emergence and Whole Body Healing Real life vignettes providing insights into the pillars and how they work together Structured opportunities and tools that support processes at the individual and collective development levels Disrupting and dismantling inequities is a complex yet urgent process If you're ready to meet this moral leadership challenge Shifting Self and System will equip you with the knowledge disposition and capacity to create equitable schools and systems for all the students you serve
