## PART I: PHRASES

### DIRECTIONS

On the right side of this page you will find 18 words or phrases. Each of these phrases (or words) represents some quality upon which you may place some degree of "value" or importance, depending on your own feelings, thoughts, decisions, or beliefs.

Read all of the phrases carefully, taking a few moments to reflect on their meanings for you personally.

Write the number "1" on the line in front of the phrase which represents the highest value for you, the phrase or word which is most positive or pleasant to you. Then, write a "2" by the phrase or word which is next best or next most positive or pleasant to you, etc.

Number the phrases or words to show the order of their respective value or priority to you. Use a different number for each of the 18 words or phrases. The number "18" should be in front of the word or phrase which has least value or which is most negative or unpleasant to you.
