initiative or drafting an apology that doesn't sound like one this book shows you how to use AI to get the job done faster and better. You will find prompts for executive communications, training materials, project documentation, client messaging, spreadsheets and tables, and even slide decks. You will learn how to request support without sounding unprepared, offer feedback without being harsh, and keep your messaging clear and professional even when your actual workload is anything but. Written by a former manager with fifteen years of experience and a well-earned sense of humor, Prompt Management was created for professionals who don't have time to waste but still care deeply about how they sound. It is part survival guide, part language toolkit, and part quiet rebellion against writing another memo alone. If you've ever opened a blank document, sighed, and thought "I just need a place to start," this book was made for you. Let AI handle the first draft so you can focus on the part of your job that actually matters and leave work a little closer to on time.
