Build Long-Term Wealth From Tiny Ideas: Low-Overhead Digital Businesses That Scale Sybex Books, 2025-06-22 Big money doesn't always come from big ideas. Sometimes the simplest concept executed well builds wealth that compounds for years. *Build Long Term Wealth From Tiny Ideas* is your practical inspiring guide to starting lean, scaling smart, and creating multiple streams of income from tiny digital products and services that don't require massive overhead or complex teams. You don't need investors, followers in the millions, or a complicated startup plan. You just need one valuable idea packaged clearly, positioned boldly, and delivered through repeatable systems. This book walks you through how to uncover high leverage opportunities hiding in your everyday skills, turn them into micro offers, and stack them into a digital business that grows quietly but powerfully. You'll discover how to monetize your knowledge through templates, trainings, checklists, and other low cost, high margin assets. You'll learn how to launch without debt, sell without burnout, and grow without sacrificing simplicity. This isn't about flashy tactics or overnight wins. It's about wealth that sticks. Assets that scale. Income that doesn't collapse if you're away for a week. Whether you're starting from scratch or refining your niche, this book helps you see what you've been overlooking. Tiny ideas are the seeds of scalable empires when paired with smart systems and long term thinking. You don't have to go big to win. You just have to go focused, lean, and intentional, and let time do the rest. *Marketing and Smart Technologies* José Luís Reis, Marisa Del Rio Araujo, Luís Paulo Reis, José Paulo Marques dos Santos, 2023-09-04 This book includes selected papers presented at the International Conference on Marketing and Technologies ICMarTech 2022 held at Universidade de Santiago de Compostela, Spain, during 1-3 December 2022. It covers up-to-date, cutting edge research on artificial intelligence applied in marketing, virtual and augmented reality in marketing, business intelligence, databases, and marketing data mining, and big data, marketing data science, web marketing, e-commerce and v-commerce, social media, and networking, geomarketing, and IoT, marketing automation, and inbound marketing, machine learning applied to marketing, customer data management, and CRM, and neuromarketing technologies. **Strategic Content Marketing** Dan Farkas, Rebecca Geier, 2024-01-08 *Strategic Content Marketing* offers a comprehensive guide to planning, creating, implementing, and analyzing an effective content marketing strategy in practice. Each chapter marries established theory with modern practice, illustrating concepts with real world case studies and examples, alongside interviews with prominent content marketers, including a foreword by Joe Pulizzi, founder of The Content Marketing Institute and often referred to as the Father of Content Marketing. Chapter objectives and summaries structure learning, while reflective questions and activities aid comprehension. On reading, students will understand the definition, purpose, and practical implementation of a content marketing programme. The relationship between content marketing and broader marketing, strategic positioning, buyer personas, and research initiatives. The most effective and valued forms of content marketing and how they are structured and used, including a special focus on digital and B2B content marketing. How to create persuasive content and measure the

effectiveness of content marketing The careers associated competencies and software technologies in the burgeoning field of content marketing This comprehensive text is perfect core and recommended reading for advanced undergraduate and postgraduate students studying content marketing inbound marketing marketing communications digital and social media marketing and public relations In practice the book is also highly valuable for practicing professionals studying for professional qualifications and looking to develop their skills Online resources include instructor teaching slides four color images and templates and chapter test bank questions *Fundamental Tax Changes Needed to Unleash America's Small Businesses* United States.
