[Robotic Technology, Artificial Intelligence and the 4IR Libraries](#)

Adeyinka Tella, Omwoyo Bosire Onyancha, 2025-10-14 This book addresses the challenges associated with information provided in the 4th Industrial Revolution (4IR) and the attendant opportunities that arise for libraries and other information services. Robotic technology and artificial intelligence are key developments in the information age with tremendous impact on the way information is processed and used by both information professionals and users, including information service providers such as librarians. Information professionals, practitioners, and users will find this book useful in their endeavor to use the emerging technologies to improve their operation and find and access specific information easily. It describes what needs to be done by librarians to stay relevant and functional in the wake of change and addresses the necessary new skills needed by information professionals to be able to deliver effective services in the 4IR. *Examining AI Disruption in Educational Settings: Challenges and Opportunities*

Kessinger, Michael W., Nelson, Gera S., Lennex, Lesia, Nettleton, Kimberly Fletcher, 2025-05-21 The role of AI in education is slowly growing. As a new technology, its uses and capabilities have not been fully realized or understood. AI provides many opportunities as well as challenges for supporting students, teachers, and skills development. However, from higher education faculty to preschool teachers, the ways in which AI can support planning, research, and student learning are not fully understood. When harnessed effectively, AI has important implications for overcoming global concerns and increasing educational equality. *Examining AI Disruption in Educational Settings: Challenges and Opportunities* provides practical, researched examples of how AI has been applied in educational settings. It examines current AI policies and considers the ways in which education may change with the use of AI. Covering topics such as field experience preparation, critical thinking,
