

The stoplight method for studying

Color code your notes using red, yellow, and green markers to indicate your level of comfort with the material.

For example:

Red

You're lost. These are areas where you need to ask your professor or teaching assistant for some help.

Yellow

You've almost got it. You need to review this info a couple more times to feel confident.

Green

You're a pro. You're confident on this topic.

{ Another clever way to use this method is by making three piles of flash cards. Color code the cards based on the stoplight scheme, circulating the red cards the most. }
