The MiamiMillions Success Guide: Brian Cliette, 2014-06-04 The MiamiMillions Success Guide: Your Invitation to Making Profits. The opportunities to build massive wealth are available to everyone. Entrepreneurs have helped shape the past and the present of our global economy, and they will continue to forge a healthy economy for the future. The eBook The MiamiMillions Success Guide imparts the information necessary to learning how financial independence is achieved through Internet marketing. Any new endeavor can cause paralysis by analysis. Learning how to generate massive and passive funnels of income is a worthy endeavor. MiamiMillions shares informative and actionable marketing precepts and expresses how to create a very lucrative business. Many entrepreneurs earn respectable revenue, and many more entrepreneurs experience explosive incomes relative to following the steps that are presented in this book. MiamiMillions is a personal invitation to making profits by replacing the limitations on earning income with measurable actions that can build on going financial wealth. Read each chapter thoroughly. Take a few days and become familiar with the ideas, precepts, and suggestions that are shared, and then come back and reread the entire book again. There are two reasons for doing this. One is to allow you to become accustomed to the information shared. Reading too much information at one time

can overwhelm and delay putting the knowledge that is learned into action The second reason is to share information that is immediately actionable Practice is how skills are developed The information in this book is designed to fine tune your mind into an attraction source of money generating ideas that will shift your thinking from passive to wealth attracting action taker However none of the wealth building principles in this book will work unless they are applied and modified into a personal wealth generating strategy tailored by the individual who will benefit most from its use you Many of the tools described in these pages are accessible on the Web with as little personal investment as a computing device and a connection to the Internet Purchasing this book is a pivotal investment for a wealthy future Read the principles outlined in this book and use them with confidence The principles described work when they are followed diligently Please be aware any information in this book is for educational purposes solely and you should always consult with a fiduciary professional for any implicit guidance that may fall outside of the suggestions in this book Unless the reader is an aforementioned professional the items in this book should never pertain to personal investment practice without professional consultation The strategies included herein are suggestions to building an income from wealth generating opportunities already in practice Express diligence and research before embarking upon any financial endeavor is encouraged and is highly recommended Welcome to the
