Today's teens are expected to not only do it all but to do it now. Having personally coached thousands of students over his years as an educator and a professional performance coach, Dr. Bernstein understands and connects with today's young adults. He knows they are intelligent, talented, and full of creative energy, and he uses his decades of experience in *A Teen's Guide to Success* to help teens succeed. *A Teen's Guide to Success* shares principles and skills that help teens discover their higher potential and learn how to be calm, confident, and focused in whatever situation they find themselves.
