Doing Ethics: Moral Reasoning and Contemporary Issues Vaughn, Lewis, 2015-09-24 Doing Ethics emphasizes that moral decision making is an active process something one does The Fourth Edition provides students with the theoretical and logical tools that a morally mature person must bring to that process and offers a wealth of readings and case studies for them to consider and discuss Streamlined prose real world relevance and practical pedagogy all at an affordable price make Doing Ethics the leading applied ethics text **Doing Ethics** Lewis Vaughn, 2007-09 Doing Ethics emphasizes that ethics is an activity something you do rather than a body of knowledge that you memorize Stressing critical thinking throughout the book Lewis Vaughn motivates students to wrestle with moral quandaries from the start His clear prose ensures that students understand major arguments and core concepts and the extensive readings and exercises provide plenty of thought provoking material for in class discussions and student papers Practical clear and comprehensive Doing Ethics will inspire students to see ethics not just as a distribution requirement but as a lifelong project [Doing Ethics](#) Lewis

Vaughn, 2024-01-07 Discover the 1 introductory ethics textbook **Doing Ethics** Lewis Vaughn, 2022 A textbook that teaches students moral decision making and how to actively apply moral reasoning *Handbook of Research on Ethical Challenges in Higher Education Leadership and Administration* Wang, Viktor, 2020-04-03 Higher education institutions are more so than other organizations deeply complex and they present a unique challenge to their leaders and administrators The unique complexities of higher education call for governance founded on thoughtful consideration of leadership practices theory and styles that reflect the values of the institution and its mission Embedded in a rapidly changing society the future of higher education leadership and administration is necessarily dynamic and demands a strong ethical core to guide research knowledge production and organizational behavior The Handbook of Research on Ethical Challenges in Higher Education Leadership and Administration is a cutting edge research publication that examines leadership ethics that higher education institutions must employ to be proactive visionary and ethically sound The publication covers the importance of leadership ethics in higher education as well as the foundation for developing frameworks in which to ground the presence of leadership ethics in higher education Featuring a wide range of topics such as distance education free speech and leadership this book is ideal for librarians academicians administrators researchers education professionals policymakers and students

Explaining Morality Steve Ash, 2022-03-30 Adopting a critical realist approach to morality this book considers morality as an aspect of social reality enquiring into the nature of moral agency and asking whether we can legitimately argue for a specific moral position and whether moral positions can be understood to apply universally Drawing on the thought of Bhaskar Collier and Sayer it explores a series of ontological questions about morality shedding light on the ways in which critical realism can be used to address them ultimately responding to the question of whether critical realism and the moral theories that have been produced through its use can provide an explanation of morality as a feature of reality Through a

synthesis of realist thought the author develops a comprehensive theoretical understanding of morality that can be tested for its explanatory power through subsequent practical research As such it will appeal to scholars of philosophy and social science with interests in critical realism ontology and meta ethics *Outlines and Highlights for Doing Ethics* Cram101 Textbook Reviews,2012-08-01 Never HIGHLIGHT a Book Again Virtually all of the testable terms concepts persons places and events from the textbook are included Cram101 Just the FACTS101 studyguides give all of the outlines highlights notes and quizzes for your textbook with optional online comprehensive practice tests Only Cram101 is Textbook Specific Accompanys 9780393934281 **Sport and Spirituality** R. Scott Kretchmar,John B. White,2020-05-21 This comprehensive volume explores the interface between sport and religion or more broadly sport and spirituality While most of the contributions come from Western and Christian traditions the volume raises broader questions about the kinds of impact that spirituality can and should have on sport and equally that sport can and should have on spirituality The authors put forth an anti dualistic message one that argues against any vision of sport and religion existing in separate domains Mind interpenetrates body faith and love interpenetrate competition spirituality and the Divine can interpenetrate secular games This positive book has powerful implications for reforming contemporary sport particularly crass extrinsically driven win at all cost versions of competition It is a book about the incarnation the paradoxical existence of the spirit in the flesh love in competition the myth making power and meaning of games to engage the world transcendent hope found in kicking a ball around and how sport as a liturgy can mediate divine presence This book was originally published as a special issue of the journal *Sport Ethics and Philosophy* **Medical Discourse in Professional, Academic and Popular Settings** Pilar Ordóñez-López,Nuria Edo-Marzá,2016-08-09 This volume investigates the features and challenges of medical discourse between medical professionals as well as with patients and in the media Based on corpus driven studies it includes a wide variety of approaches including cognitive corpus and diachronic linguistics Each chapter examines a different aspect of medical communication including the use of metaphor referring to cancer the importance of ethics in medical documents addressed to patients and the suitability of popular science articles for medical students The book also features linguistic textual and discourse focused analysis of some fundamental medical genres By combining sociological and linguistic research applied to the medical context it illustrates how linguists and translation specialists can build bridges between health professionals and their patients Systems Thinking and Moral Imagination David J. Bevan,Regina W. Wolfe,Patricia H. Werhane,2019-04-17 This volume brings together a selection of papers written by Patricia Werhane during the most recent quarter century The book critically explicates the direction and development of Werhane s thinking based on her erudite and eclectic sampling of orthodox philosophical theories It starts out with an introductory chapter setting Werhane s work in the context of the development of Business Ethics theory and practice along with an illustrative time line Next it discusses possible interpretations of the papers that have been divided across a range of themes and examines Werhane s contribution

to these thematic areas Patricia H Werhane is a renowned author and innovator at the intersection of philosophy and Applied Business Ethics She is professor emerita and a senior fellow at the Olsson Centre for Applied Ethics at Darden and was formerly the Ruffin Professor of Business Ethics She is also professor emerita at DePaul University where she was Wicklander Chair in Business Ethics and director of the Institute for Business and Professional Ethics A prolific author whose works include *Moral Imagination and Management Decision Making* and *Organization Ethics for Health Care* Werhane is an acclaimed authority on employee rights in the workplace one of the leading scholars on Adam Smith and founder and former editor in chief of *Business Ethics Quarterly* the leading journal of Business Ethics She was a founding member and past president of the Society for Business Ethics and in 2001 was elected to the executive committee of the Association for Practical and Professional Ethics Before joining the Darden faculty in 1993 Werhane served on the faculty of Loyola University Chicago and was a Rockefeller Fellow at Dartmouth College and Senior Fellow at Cambridge University
