Dr Sleep Kindle Edition Stephen King:

Everyday Evil in Stephen King's America Jason S. Polley, Stephanie Laine Hamilton, 2024-06-03 This edited collection variously interrogates how everyday evil manifests in Stephen King's now familiar American imaginary an imaginary that increases the representational limits of both anticipated and experienced realism Divided into three parts I The Man II The Monster and III The Re mediator the book offers rigorous readings of evil realism and popular culture as represented in a range of texts and paratexts from the King canon Rich with images a photo essay and appendices collecting classical texts and cultural detritus germane to King this book moves away from viewing King's work primarily through the lens of the American gothic and toward the realism that the suspense novelist's voice fictional and non and influence literary and popular indelibly continue to amplify all the while complicating the traditional divide between serious literature and popular fiction Stephen King remains perpetually popular And he is finally receiving the academic treatment he has craved since the early 1980s Yet still unexamined in the King critical canon is the suspense novelist's fascination with everyday evil Beyond rigorous interrogations of King's fictional depictions of everyday evil by an array of scholars of different ranks living around the world Canada Finland Hong Kong the UK the book replete with 20 images considers how King widens the parameters of literary production and appreciation An integral part of the Americana that King's five decades in the making canon configures of course includes King himself King has long made use of self referentiality in his fiction and nonfiction Some of his nonfiction several of our essays reveal recirculates in paratextual form as Prefatory Remarks to new novels or new editions of older ones The paratexts considered here both across the volume and in the appendices offer alternate ways by which to appreciate King and his sphere of influence literary and popular Said appendices are a grouping of King's paratexts on his writing as Bachman appearing here for the first time as a cohesive collection King's influence took off in the 1970s as is further explored in the book enveloping three part photo essay King's America America's King Stephen King Popular Culture since the 1970s About the transformative quality of everyday evil the photo essay tracks the cultural impacts of King first as an emerging author then a pop culture phenomenon and finally as an established American literary voice Everyday Evil in Stephen King's America is designed to appeal to teachers and students of American literature to Stephen King enthusiasts as well as to acolytes of Americana since the Vietnam War

Stephen King's Contemporary Classics Philip L. Simpson, Patrick McAleer, 2014-11-13 Many readers know Stephen King for his early works of horror from his fiction debut Carrie to his blockbuster novels The Shining The Stand and Misery among others While he continues to be a best selling author King's more recent fiction has not received the kind of critical attention that his books from the 1970s and 1980s enjoyed Recent novels like Duma Key and 1 22 63 have been marginalized and arguably cast aside as anomalies within the author's extensive canon In Stephen King's Contemporary Classics Reflections on the Modern Master of Horror Philip L. Simpson and Patrick McAleer present a collection of essays that analyze assess and critique King's post 1995 compositions

Purposefully side stepping studies of earlier work these essays are arranged into three main parts the first section examines five King novels published between 2009 and 2013 offering genuinely fresh scholarship on King the second part looks at the development of King s distinct brand of horror the third section departs from probing the content of King s writing and instead focuses on King s process By concentrating on King s most recent writings this collection offers provocative insights into the author s work featuring essays on Dr Sleep Duma Key The Girl Who Loved Tom Gordon Joyland Under the Dome and others As such Stephen King s Contemporary Classics will appeal to general fans of the author s work as well as scholars of Stephen King and modern literature

Doctor Sleep Stephen King,2013-09-24 From master storyteller Stephen King his unforgettable and terrifying sequel to The Shining an instant 1 New York Times bestseller that is a vivid frightscape The New York Times also a major motion picture starring Ewan McGregor Years ago the haunting of the Overlook Hotel nearly broke young Dan Torrance s sanity as his paranormal gift known as the shining opened a door straight into hell And even though Dan is all grown up the ghosts of the Overlook and his father s legacy of alcoholism and violence kept him drifting aimlessly for most of his life Now Dan has finally found some order in the chaos by working in a local hospice earning the nickname Doctor Sleep by secretly using his special abilities to comfort the dying and prepare them for the afterlife But when he unexpectedly meets twelve year old Abra Stone who possesses an even more powerful manifestation of the shining the two find their lives in sudden jeopardy at the hands of the ageless and murderous nomadic tribe known as the True Knot reigniting Dan s own demons and summoning him to battle for this young girl s soul and survival

Disability, Literature, Genre Ria Cheyne,2019 This title brings cultural disability studies and genre fiction studies into dialogue for the first time Analysing representations of disability in contemporary science fiction romance fantasy horror and crime fiction it offers new and transformative insights into both the workings of genre and the affective power of disability

The Haunted Muse Richard M. Magee,2016-04-26 The Salem witch trials and the many narratives based on them both contemporaneous and subsequent discussions have had a powerful influence on the American national psyche informing the nation s political debates and propelling its fears Perhaps one of the major reasons for the importance of the trials is how they conceive of and present a narrative of danger The horror grows in and seems to threaten not just the body politic but perhaps more importantly the domestic sanctuary The home and hearth become a contested ground where good and evil fight for the souls of the inhabitants or an infection that threatens to spread to other homes and eventually the entire community The fear of witchcraft or demonic possession reveals not just a religious mania but also a level of misogyny Much has been made of the connections between witchcraft accusations and midwifery homeopathy and other usually female pursuits The link between midwifery and witchcraft is especially interesting here however as it suggests an anxiety linked to notions of creation and procreation This book proposes a link between the fears of usurped procreation elicited by the trials and fears of misdirected or usurped creativity In many Gothic stories the authors imagine their literary creations as children who have been

transformed by malignant forces much as the Puritans of 1692 feared that the devil was transforming their actual children. The home in the Gothic story becomes a warped version of the sacred domestic space of sentimental literature and it transforms from refuge to place of terror. The authors examined here include Nathaniel Hawthorne, Louisa May Alcott, Rose Terry Cooke, Charlotte Perkins Gilman, Shirley Jackson, Stephen King, and Ira Levin. ***Doctor Sleep: A Novel By Stephen King (Trivia-On-Books)*** Trivion Books, 2016-09-13. Trivia on Book Doctor Sleep by Stephen King. Take the challenge yourself and share it with friends and family for a time of fun. Doctor Sleep, a sequel to Stephen King's 1977 novel *The Shining*, picks up on the life of Daniel Torrance. The boy with shining abilities survived his evil dad and escaped the horrors of Overlook Hotel. Dan, now a middle-aged man, struggles with alcoholism and despair. To redeem himself, he joins Alcoholics Anonymous in New Hampshire and works in a hospice facility where he is dubbed Doctor Sleep for helping the dying cross over to the afterlife. Through spiritual communication, Dan connects with another shiner, Abra Stone, who he must save from the True Knot, quasi-immortals living off of the life force or steam of psychic children who were tortured to death. In October 2013, Doctor Sleep reached the top spot on the New York Times Best Sellers list for combined print and eBook fiction as well as hardcover fiction. It was awarded the 2013 Bram Stoker Award for Best Novel. You may have read the book but not have liked it. You may have liked the book but not be a fan. You may call yourself a fan, but few truly are. Are you a fan? Trivia on Books is an independently curated trivia quiz on the book for readers, students, and fans alike. Small Acts of Leadership G. Shawn Hunter, 2016-10-04. In business today, there is no offline and there is no downtime. Professionals are both exhausted and depleted. Being constantly tethered to our work through technology makes us overwhelmed and shortsighted and deprives us of time for meaningful reflection or thoughtful connection to our professional communities and often even to our own families. For us to thrive, not simply survive, in this accelerating economy, we need to adopt small intentional behaviors and practice them each day. From simply taking care of our rest and exercise to building our self-confidence and embracing challenges, author Shawn Hunter's latest book *Small Acts of Leadership* will guide you through a series of incremental steps you can take to build a stronger version of yourself and make a broader impact in the world. Weaving in personal life stories and meaningful interviews with business leaders around the world, Hunter presents the reader with twelve critical competencies that are consistently present in the daily behaviors of today's most successful leaders.
