**Big Book of Virtual Teambuilding Games: Quick, Effective Activities to Build Communication, Trust and Collaboration from Anywhere!** Mary Scannell, Michael Abrams, Mike Mulvihill, 2011-12-16 Get remote team members to interact as if they're in the same room. Whether you're videoconferencing with team members across the world or e-mailing a colleague sitting ten feet away, the truth is evident: technology has permanently altered the way we communicate. The virtual workplace can facilitate quicker decision making and reduced overhead. But the lack of face-to-face interaction can also impede trust, innovation, and creativity among team members. The Big Book of Virtual Team Building Games is packed with games and activities for developing productive virtual teams across all digital platforms including e-mail, mobile devices, web-based conferencing tools, and social media sites such as Facebook, Twitter, and Skype. The Big Book of Virtual Team Building Games helps you build a greater sense of community and reduce conflict. Increase levels of engagement. Get the most out of more introverted team members. Boost team members' productivity. Make sure that the only thing separating your people is distance. The Big Book of Virtual Team Building Games is just the tool you need to develop trusting relationships, foster clear communication, and use technology to enhance the team's connections. [Creativity in Virtual Teams](#) Jill Nemiro, 2004-03-29 Creativity in Virtual Teams offers a well-researched and practical resource that outlines a new model for attaining high levels of creativity in virtual working arrangements to anyone who designs, manages, or participates in virtual teams. Written by Jill E. Nemiro, an expert in building organizations and virtual teams, Creativity in Virtual Teams provides a valuable tool that takes you beyond mere theory. Within these pages, the author leads you through a series of diagnostic tools, questions for reflection, checklists, and exercises that will help you assess and develop the five key components: design, climate, resources, norms, and protocols, and continual assessment and learning that will foster creativity in your virtual teams. In addition, Creativity in Virtual Teams is filled with illustrative lessons learned from nine highly successful and innovative virtual teams. [Proven Strategies in Competitive Intelligence](#) Society of Competitive Intelligence Professionals, 2002-02-28 Tested in the trenches, competitive intelligence techniques used at today's top companies. This book brings together the best thinking and practices in competitive intelligence (CI) currently being used at many of today's most successful companies. Featuring contributions from leading industry executives, it covers CI strategies across a wide range of business functions, including marketing and sales, market research, and forecasting, product development, and teams. The only book on the subject offering a comprehensive view of CI from the CEO down to the tactical CI team. Numerous case studies vividly illustrate cutting-edge CI techniques in action. **Virtual Training Tools and Templates** Cindy Huggett, 2017-06-27 Are your virtual training tools ready for a tune-up?
